Mr. Beacroft talking to Mr. Hollins on Sports Day

We would like to begin this edition by welcoming our new headmaster, Mr. Bernard Beacroft. By now, most of our students will have gotten to know him, even if they have not met him in person. Mr. Beacroft brings with him to Warwick Academy a wealth of experience in the administration field, having previously led an English Comprehensive school for the last 11 years. He is a warm, humorous person who exudes enthusiasm for every activity he embarks upon. Warwick Academy is certainly very lucky to acquire the services of such a person to lead this school into the 1990's.

As the theme for this edition is 'change', we thought it appropriate to begin with some new and innovative ideas suggested by our headmaster in his prize day speech in November, 1987.

Mr. Beacroft made a strong case for the complete physical refurbishment of the school in all areas. In particular he mentioned problems with plumbing, storage facilities, the gymnasium, changing rooms, leaks, shabby furniture, air conditioning, internal communications and unsafe pathways. He has already invited parents to volunteer some time at the weekends to make a beginning on solving these problems.

Mr. Beacroft also wants to improve the channels of communications between the school and the parents. His new ideas include end of term letters, improved brochures and handbooks, educational workshops for parents and parental involvement with assembly and sports days.

Mr. Beacroft also is a strong supporter of the introduction of information technology into the school curriculum. He has already proposed a strategy for this to the Ministry of Education. He wants our students to be familiar with information data-bases, spread sheets, word processing, computer assisted design and graphics, and control applications. He also believes that computers will make lessons more exciting for the teachers and the students.

These are just some of the new ideas proposed by Mr. Beacroft and they have been enthusiastically welcomed by parents, teachers and students. WELCOME Mr. Beacroft and long may your prosper.

Leo And
Caitlin

'Changes' By John MacDonald

This year we have chosen an original poem written by a Canadian student visitor from Cobourg. His name is John MacDonald and his poem is called 'Changes'.

As the first leaf falls

From the tall, vibrantly colored tree, there is a sense of happiness and beauty.

Sherie Howes, Lisa Greene, Kupunda Lawrence, Fiona Roberts, Paula Thomas and Cymone Hollis.

There should never be any fear in
Growing up and changing, because
As we change we grow more beautiful
than before.

Keith Swan, Shannon Tuzo, Janson Cross, Gavin Carter, Lauren Jewell, Tyrone Butterfield, Danya Neeson, Khalid Worrell and Malik Fenora

Just as the tree that has to
Change the color of it's leaves,
We must change ourselves.

Carla Zuill, Tanecha Smith, Lauren Francis, Melanie Ray, Diana Trott, Rahleman Smith and Jameka Paynter.

For as the tree becomes more
Beautiful and magnificent than
Before, so shall we.

Daniel Smith, Paul Franco, Danny Faria, Mark Melo, Robert Marques, Shane Weeks and Jarod Jimenez.

We all wish we could stay young
and never grow up,
But to change and mature, means
To bring new happiness, new
Feelings and new hopes.

Steffan Telford and Lisa Boden

So, remember the changing tree
And blossom into the beautiful
Colors that make you more
Beautiful than you already are.
John N. MacDonald.

Welcome To Our New Headmaster

Mr. Bernard Beacroft
Headmaster

Dear Students,

First I wish to thank you all for your warm welcome during my first year at Warwick Academy. I have been very happy here since the first day I came. Warwick Academy is a fine school and you play a major role in making it so. Your school has high standards of learning and behavior, an excellent musical tradition, a wide-ranging extra-curricular program, and most praiseworthy racial integration and harmony.

Warwick Academy stands at a very significant educational cross-roads this year. Partly that is because it has a new headmaster. More importantly, it is because Bermuda now expects all of its schools to do a better job of educating young people to meet the challenges and opportunities of parenthood, citizenship and employment in the highly sophisticated world of the 1990's. Whether we like it or not political forces will change our status and organization, our curriculum and examinations, our teaching methods and our guidance counselling. As I wrote, early in the year, it is too soon to know how these changes will affect Warwick Academy in particular, but they will take place and involve all of us.

Meanwhile, it is vitally important that this year we improve our physical environment, its appearance and its facilities, so that we can face the future with greater hope and self-confidence. This year we will get our school properly decorated. The Warwick Academy Association will provide us with ceiling fans and good lockers. The Board of Governors will finance the repairs needed in the Swimming Pool. Equally important, and no matter whether Warwick Academy goes private or comprehensive. I hope to introduce Information Technology (IT) into the school, so making its teaching and learning more exciting, more modern and more appropriate to the world of science and technology in which we live. Computers, printers, monitors, word processors, laser discs and all the other electronic gadgetry associated with IT have produced a revolution in communications of the most profound importance, influencing each and every one of us in our working and personal lives. My hope is, that with the financial support of the Ministry of Education, 1989 will be the year which sees IT firmly established at Warwick Academy and starting to feature significantly in our future teaching and learning programmes.

1989 will be a memorable year for Warwick Academy. I hope that the year will be a memorable one for you too. My best wishes to you all in your endeavors.

How Do You Say Goodbye!!

Mrs. Sheila Gray

This year, as Warwick Academy approaches a crossroads in its history, Mrs. Gray, one of our longest serving teachers feels she is at a crossroads too. Although she has misgivings about leaving, especially in this period which will witness many changes, she feels it is time to retire from teaching and possibly do something quite different. Hopefully, she'll have more time to pursue some of her other interests such as gardening, sewing and reading.

Mrs. Gray notes that change is not new to Warwick. Change has taken place gradually so people tend not to notice it. Mrs. Gray notes that 15 years ago the school was bigger, with more than 500 students. However, the school buildings are much bigger now and since the opening of the Science Block in 1975, the Home Economics Department moved from what is now the Exercise Room.

Other changes have been the addition of the swimming pool and the 6 day cycle. The school did have recesses in both the morning and afternoon several years ago but this was stopped, in order to shorten the school day. Mrs. Gray also notes happily that boys have benefited from taking Food and Nutrition and several have successfully completed the GCE syllabus.

Finally Mrs. Gray notes that, looking back there have been happy times and there have been sad times. However, she hopes that she has helped to kindle a spark or two of interest in the youngsters from which they will hopefully benefit and gain enjoyment later in life. Mrs. Gray notes that a few who hated 'cooking' in school have come up to her in later years to admit that they are now quite good at it and that they still use their old school recipes.

From Scotland With Love

Sometimes the retirement of a teacher marks the passing of an era. With the retirement of Mrs. Gray this year, Warwick Academy is losing one of its final links with the 'glory days' of the mid 1970's. Mrs. Gray has come to represent what is good about teaching. Her good sense and her good humor have long been an asset and mainstay of the school. She will be sadly missed by both the students and the staff.

Mrs. Gray was born in colonial India of Scottish parents. However, she has taught at Warwick Academy for the last 15 years, and it is as a warm good natured person that most people know her. Mrs. Gray has been the Food and Nutrition Department at Warwick for as long as we care to remember, and the staff have been on the receiving end of numerous Xmas dinners, cakes and cookies planned and directed by her. We thank Mrs. Gray for all the kindness she has shown to us and we return it in kind. We hope that her retirement will be happy and that God will bless her with a long and fruitful life.

Kent Hayward, 5 Music, Morgan, Rugby, Prefect, House Captain, Badminton, Band, Orchestra, Softball, Water polo. Kent plans to be a good musician and attend University. 'A philosopher once said, 'Life is a bowl of cherries'. To me it's just a bowl, and the cherries are waiting to be picked.'

Anthony Cupidore, 5 East, Rhodes, Prefect, Rugby, Weight Training, Water Polo. Ants plans to spend two years at the Bermuda College before studying to become an Accountant in Canada 'Born for immortality.'

Lorraine Marie Benevides, 5 South, Rhodes, Prefect, Library, Tennis, Badminton, Water polo, Weight Training Lorraine plans to sit 'A' levies before attending University 'Success comes in can's. Failure comes in can't's. Someone who is saying it can't be done is usually interrupted by someone who is doing it.'

Tracy Trimm, 5 South, Rhodes, Lab. Asst., Crafts, Yearbook, French, Woodwork, Fair, Computer, Newspaper, Cookery, Sick Room Asst., Maths and Bridge Club. Tracy has her sights on a degree in Computer Sciences. Success: 'In anguish we uplift a new unhallowed song: The race is to the swift; The battle is to the strong,' John Davidson.

Eleonara 'Leo' Barbieri, 5 North, Patton, Form Captain, Prefect, Badminton, Water polo, Basketball, Fair, Art, Woodwork. Leo plans to spend two years in England before attending Hotel College in Switzerland for four years. 'If you can image it, you can achieve it. If you can dream it, you can become it' William Arthur Ward

5 East

5 East, Anthony Cupidore, Craig Ferguson, Marc Hopper, Derek Hurdle, Jason Kyme, Mark Morris, Paul Rodrigues, Greg Soares, Denton Williams, Christopher Williamson, Tonya Desilva, Lucy Furtado, Jana Lambert, Kathy O'Brien, Nerissa Persad, Anne-Michele Pollet, Natalie Purvis, Sarah Randall, Gail Semos, Rosemary Seymour, Adele White and Diedre Whitehead.

5 Music, Jose Desousa, Brent Hagerman, Kent Hayward, Shawn Minors, Richmond Simmons, Steffan Telfor, Scott Turner, Lisa Boden, Tina Ferreira, Caitlin Garland, Trina Kelly, Laura Kempe, Kristina Williams and Lilla Zuill

5 Music

Michael Daniel, 5 South, Patton, Prefect, Rugby, Tennis, Badminton, Weight Training. Michael plans to attend the Bermuda College and then University. 'Life is like a roller coaster with its ups and downs. Everyone begins with life's joy and ends with death's sorrow. Meanwhile, enjoy the ride because life is too short.'

David Paynter, 5 South, Robertson, Prefect, Swimming, Rugby, Weight Training. David plans to attend the Bermuda College and then study abroad. 'Good things come to those who wait ... so I am waiting.'

Jennifer S. Eve, 5 South, Robertson, Cross Country, Weight Training, Netball, Softball, Basketball, Badminton, Cheerleading, Drama, Prom and Fair. Jennifer hopes to become an Accountant. 'If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music which he hears.'

Denise Robyn Martin, 5 South, Patton, Form Captain, Tennis, Badminton, Chess, Choir, Cross Country, Hockey, Drama, French and Prom. Denise plans to become a successful Interior Designer and live in London with Andre Agassi. 'It is not enough to have a good mind. The main thing is to use it well.'

Trina L. Kelly, 5 Music, Patton, Band, Fair, Cooking, Weight Training and Orchestra. Trina plans to attend the Bermuda College for two years and then go to College in Canada. 'Never trouble trouble till trouble troubles you, but if you trouble trouble, it will surely trouble you.'

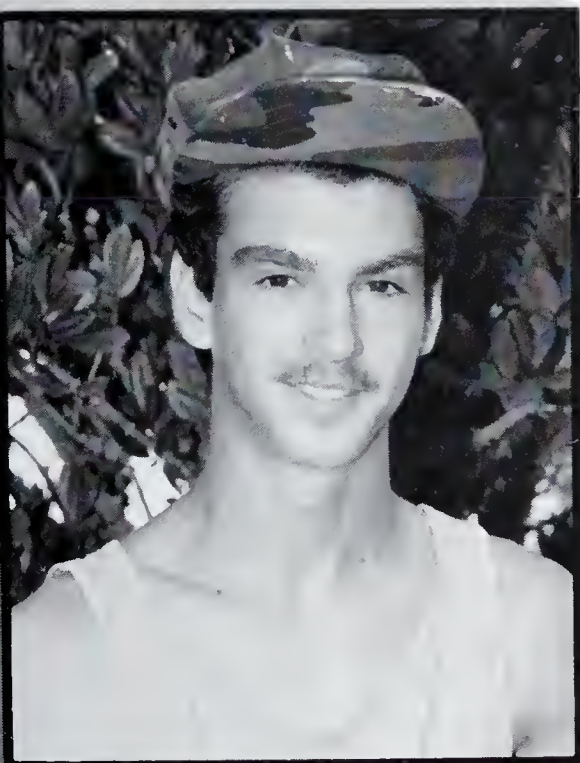

Carlos Amaral, 5 North, Robertson, Form Captain, Basketball, Volleyball, Swimming. Carlos plans to attend College in Bermuda or abroad.

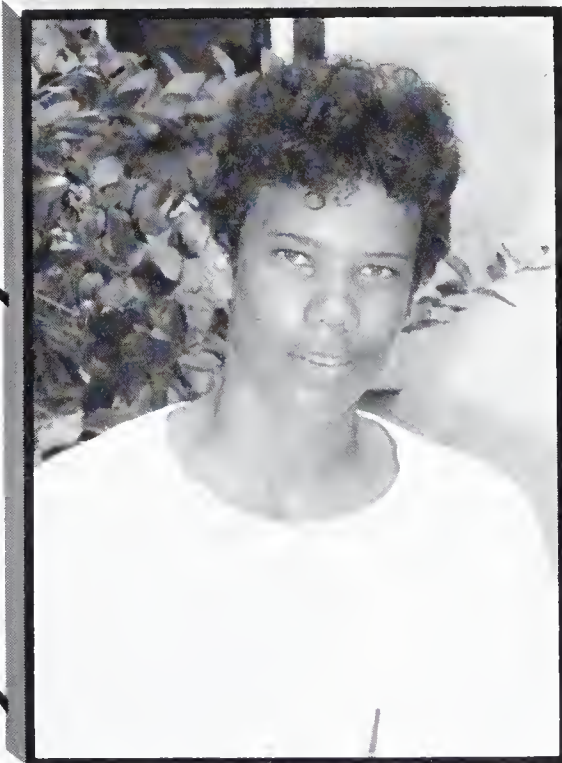

Katherine Margaret Lilla Zuill, 5 Music, Rhodes and Morgan, Form Captain, Swimming, Water polo, Tennis, Orchestra, Volleyball, Debating. Lilla plans to have an adventurous life. She is going to begin with flying through the Andes in a Cessna, followed by parachuting from Le Sevre. Meanwhile she will memorise Monmartre and learn seven languages while studying to become an Art Historian. 'No guys, No glory.'

Jason Hansford-Smith, 5 North, Robertson, Form Captain, Basketball, Swimming, Water Polo, Art, Badminton, Hockey and Volleyball. Jason hopes to attend College and then follow a career in skateboarding or windsurfing, while living in a straw house on the island of Maui. 'Don't count your chickens before they've hatched if you don't have a farm.'

William Drover, 5 South, Morgan, Form Captain, Tennis, Basketball, Volleyball, Drama, Swimming. Williams plans to attend College and Join Jason in his straw hut. 'When all seems naught, extinguish your anxieties with an array of positive influences which can transform deep sorrow into numerous joyous occasions which, in turn, will undoubtedly be held sacred when in times of desperate need.'

Andrew Skinner, 5 South, Robertson, Basketball, Water polo, Swimming and Drama. Andrew hopes to attend College and become an editor. 'WE are the future, Think about it.'

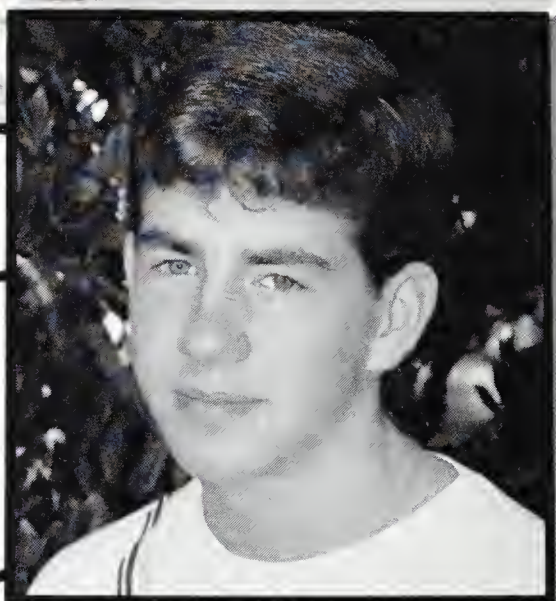

Tracey Nichelle Rayner, 5 South, Rhodes, Form Captain, Prom, Weight Training and Cheerleading Tracey plans to attend College abroad and major in Tourism. 'Seek ye and ye shall find all that you set out to achieve.'

Michelle Calsey, 5 South, Rhodes, Form Captain, House Captain, Prefect, Volleyball, Netball, Cross-Country, Basketball, Softball, Fair, Word of Life, Newspaper and Prom. Michelle plans to attend the Bermuda College for two years to study Business Administration and then go to University. 'Just when I thought things would get easier, I realized that I have a lot more to accomplish.'

Andrew Hawkins, 5 South, Rhodes, Head Boy, Soccer, Cross Country, Track and Field, Lab. Asst., Computer, Newspaper, Drama and Yearbook. Andrew plans to sit 'A' levels, attend Oxford University and become a Maths teacher. 'A winner is someone who keeps on going when everyone else gives up.'

Shawn Minors, 5 Music, Robertson, Form Captain, Tennis, Basketball, Hockey, Debating, Band, Orchestra, Track, Fair and Drama. Shawn plans to attend College and obtain qualifications in Airplane Mechanics and then become a pilot.

Tina Ferreira, 5 Music, Morgan, Form Captain, Tennis, Badminton, Band, Weight Training, Hockey and Cooking. Tina plans to attend College and become an Accountant. 'Anger is sorrow, say what you will today but you might regret it tomorrow.'

Brent Haserman, 5 Music, Robertson, Form Captain, Rusby, Band and Weight Training. Brent plans to fly off and join U2. 'I believe in kingdom come, then all the colours bleed into one, But yes, I'm still running' Bono

Ivone Alves, 5 North, Rhodes, Librarian, Prefect, Volleyball, Badminton, Woodwork, Art. Ivone plans to attend an American College and study Interior Decorating. 'People need people and people need friends. And we all need love for a full life depends, not on vast riches or great acclaim, not on success or on worldly fame, but just in knowing that someone cares and holds us close in their thoughts and prayers. For life's completeness and riches depend on the things we share with our loved ones and friends.'

Zayne Seymour, 5 North, Morgan, Weight Training and Rugby. Zayne plans to study Engineering at the Bermuda College. 'Don't wait around for things to happen; make them happen.'

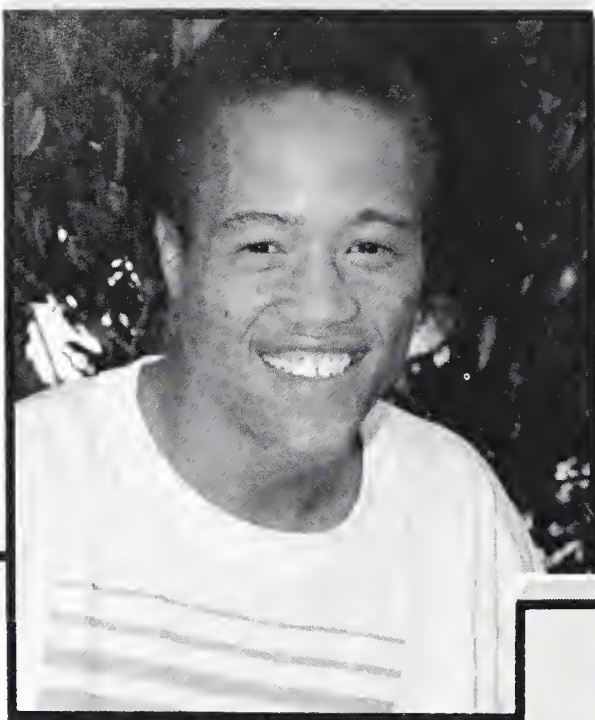

Shane English, 5 South, Patton, Deputy Head Boy, Woodwork, Yearbook, Computer, Newspaper, Track, Swimming, Lab. Asst., Shane plans to attend the Bermuda College, study abroad and retire at 29. 'Hard work is the key to success, so I am going to pick the lock.'

Denise McIlwain, 5 South, Rhodes, Form Captain, Volleyball, Softball, Fair, Gymnastics, Debating, Cooking, Cross-Country, Sick Room, Badminton, Calligraphy and Prom. Denise plans to become a Physiotherapist. 'It's nice to be important, but it's more important to be nice.'

Scott G. Turner, 5 Music, Patton, Form Captain and Prefect, Badminton, Swimming, Woodwork, Orchestra, Basketball, Water Polo. Scott plans to attend University in Canada and be successful at his chosen career. 'Best believe it Buckwheat!'

Anne Michelle Pollet, 5 East, Patton. Anne Michelle is our Rotary Student for 1989. She is interested in horseriding, squash, skiing, swimming, windsurfing and volleyball. She hopes to learn several languages before settling into a career.

Adele White, 5 East, Robertson, Cross Country. Adele hopes to become an Executive Secretary. 'Free at last, free at last, thank God Almighty, we're free at last.'

Rinelle E. White, 5 South, Robertson, Form Captain, Cross-Country, Gymnastics, Track, Prom and Fair. Rinelle hopes to become a hairstylist and travel far and wide. 'It is better to be thought a fool than to open your mouth and remove all doubt.'

Michelle Hill, 5 South, Rhodes, Hockey, Library, Softball, Swimming, Water Polo, Basketball, Volleyball and Fair. Michelle hopes to study abroad and teach Mathematics. 'Life is a vase of roses, you just have to watch out for the pricks.'

Laetitia Parfitt, 5 South, Robertson, Chess, Badminton, Volleyball and Softball. Laetitia plans to enter the big wide world of entertainment.

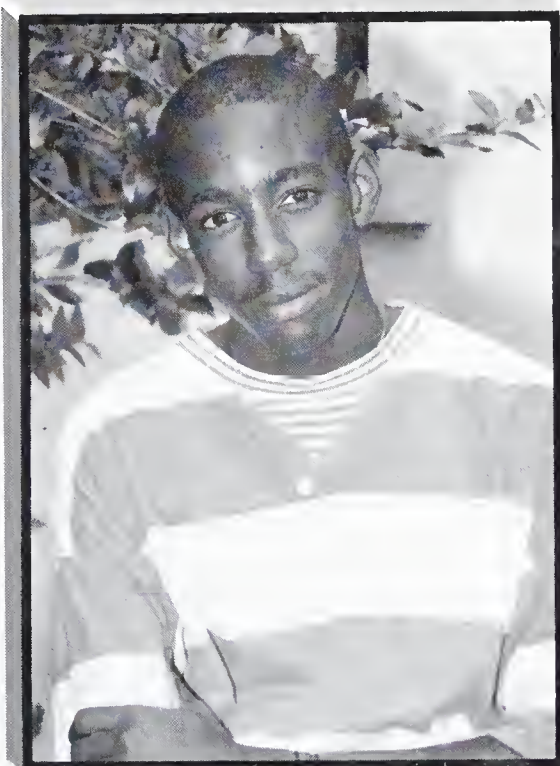

Diedre Whitehead, 5 East, Patton, Tennis, Lab. Asst., Geography Asst., Fair, Library and Choir. Diedre plans to follow the Art and Science course at the Bermuda College before studying in Britain. 'Life is too serious to be serious.'

Tulane Martin, 5 South, Robertson, Badminton, Art, Drama, Weight Training, Cooking, Track, Prom and Fair. Tulane plans to study Economics and Business Studies in America. 'You don't explain Love or perfume. You try them for a good or bad response.'

Denise Matthews, 5 North, Robertson, Art, Tennis, Fair, Choir, Cooking, Woodwork, Cross Country and Police Cadets. Denise plans to live with the man of her choice and be a great success. 'The secret to a good life is sincerity. Once you can take that, you've got it made.'

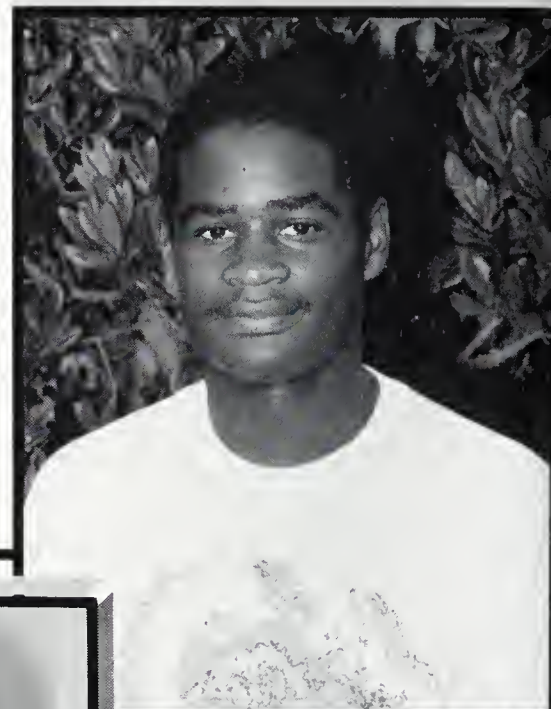

Chris Williamson, 5 East, Patton, Soccer, Rugby, Water polo, Cricket. Chris plans to be a Physiotherapist. 'The best things in life come from hard work.'

Trina Nicole Todd, 5 North, Morgan, Tennis, Debating, Cheerleading. Trina plans to attend the Bermuda College and then study Accounting. 'Success lies not in being the best, but in doing your best.'

Abayomi Carmichael, 5 North, Rhodes, Weight Training, Water Polo and Basketball. Abayomi hopes to study electronic engineering at a foreign College. 'Don't have a heart afraid of breaking, or you'll never learn to dance. Don't have a dream afraid of wakin, or you'll never take to dance. Don't be the one who cannot seem to give. Never be a soul afraid of dying, or you'll never learn to live. Always remember God. Love Ya.'

Paul Jorge Decouto Correia, 5 North, Patton, Basketball, Water Polo and Weight Training. Paul plans to become an auto mechanic and have his own company 'If we all learn from our mistakes I must be a genius.'

Jamie Pedro, 5 North, Rhodes, Form Captain, Basketball, Water Polo, Swimming, Volleyball, Weight Training, Art. Jamie also plans to live on Maui in the same straw hut. Skating is Life. Thou who refrains from skating doth not truly live at all, but merely plod along through a dull meaningless existence, devoid of any real living energy and truly dead by all real skaters standards. Thus Skate or Die.'

Denise Harris, 5 North, Rhodes, Basketball, Softball, Police Cadets, Fair, Hockey, Weight Training. Denise plans to become rich after studying abroad 'Never regret what you've done, only what you haven't'

Jennifer Simmons, 5 North, Robertson, Badminton, Swimming, Water Polo, Fair, Prom. Jennifer is hoping to go to the Bermuda College but after that, she is not sure. 'Don't worry, Be Happy'.

Kevin Outerbridge, 5 South, Morgan, Science Club, Fair and Rugby

Victoria M. Zelkin, 5 South, Morgan, Fair, Cookery Club.

James Alexander Reid Robinson, 5 North, Rhodes, Form Captain and Prefect, Swimming, Badminton, Rugby, Water Polo, Fair and Woodwork. James plans to attend Saltus Senior Year and then a College in Canada. 'The mind like a parachute, it functions only when it is open.'

Denis Defrias, 5 North, Morgan, Form Captain, Badminton, Volleyball, Weight Training, Art, Cross Country, Water Polo. Denis plans to study in Canada and become a millionaire. 'Everybody lies but it doesn't matter since nobody listens.'

SPORTS AND ORGANIZATIONS

You Can Play Scrabble At The

Chess

RICHARD & ANDREW

Mr. Curley And His 1989 Chess Club

The Chess Club was led by Mr. Curley this year and consisted of mostly boys. Mr. Curley hopes that this trend will not continue as he feels that girls have a lot to offer this activity. They meet in the Physics Lab on Thursdays at lunchtime. They have their own league and occasionally play teams from other schools.

Scrabble

The French Scrabble Club is still as popular as ever. Organized by Miss Smith they meet in the French Room at lunchtimes. This club is of great benefit for students at all levels of proficiency in French. The beginners learn the rudiments of vocabulary while the high flyers can conjure up all sorts of difficult French words and phrases. There is even a chance of a visit to France or Hot chocolate and marshmallows at Xmas

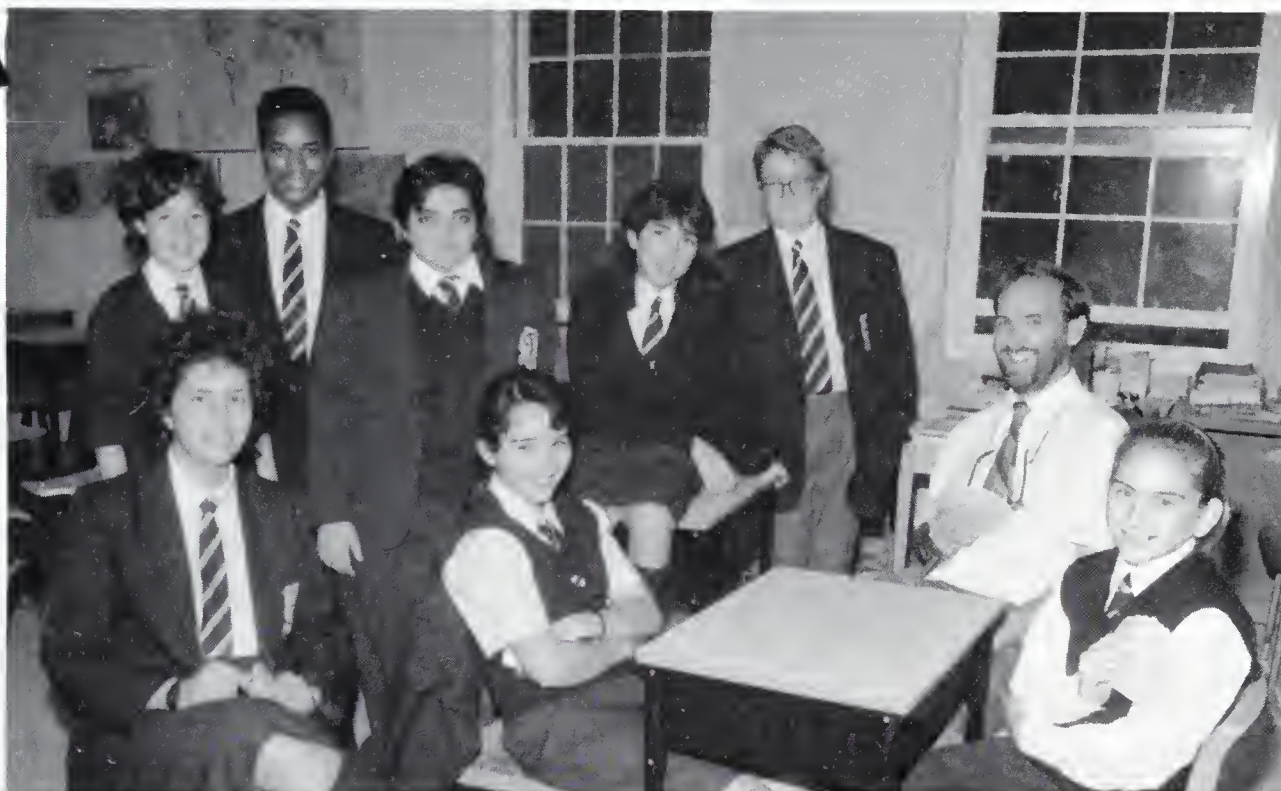

MYRON, DAVID, BRADLEY, LEELEY, NELSON, RANAE, ELYSHA, DIANA, STACEY, JASON AND MISS NANCY SMITH.

Library And Bridge The Chess Club

Bridge

New!!!

Cristina, Heather, Tracey, Lucy, Elizabeth, Chris, Maria, Mr. Hall and Kimberly. This is a new activity organized by Mr. Hall and they meet in the Maths Room at lunchtimes on Thursdays and Fridays. This is a popular club and looks set to run for all three terms, much to the delight of Mr. Hall and the students.

Library

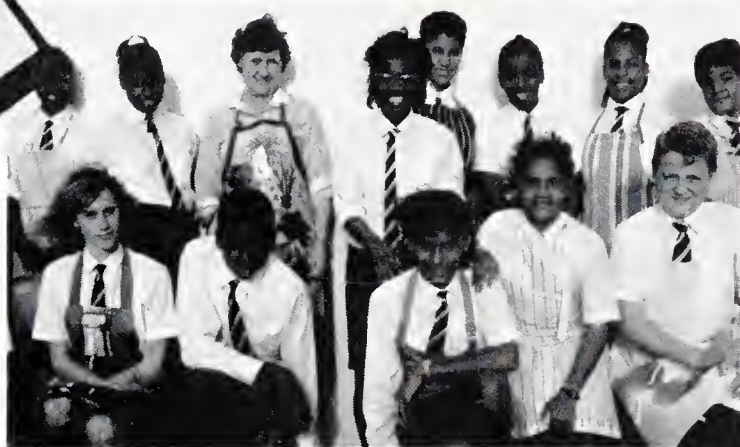

Shika, Nadine, Krisia, Miss Duggan, Sarah, Carol, Susana, Jackie, Lisa, Shar-eena, Monika, Rusheika, Denniqua and Lloyquita. These are the Library Assistants this year. These are the girls who help Miss Duggan look after academia's most precious commodity-books. What a good job they do too!

If You Want To See A Classy Act

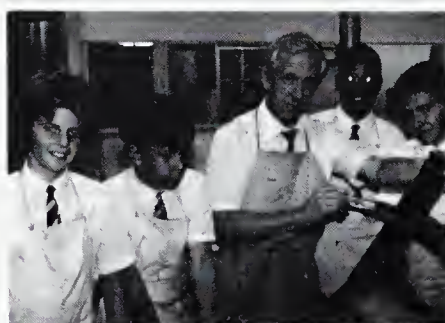

Cooking

The creation of Mrs. Sheila Gray, the Cookery Club meets on a Thursday afternoon in the Home Economics Room. They assemble, excuse me, cook various gastronomic delights from Pizzas to Xmas Cakes. The boys are beginning to show their mettle now and have taken high places in the last two or three Xmas Cake competitions. Mrs. Gray also has her own assistants who help with the preparation for Prize Nights and other illustrious occasions. The Club will be sad to lose Mrs. Gray this year as she has been the guiding force for this club for so long. They wish her the best of health and the best of everything for a grand retirement.

Led by the redoubtable Mr. Michael Kirk the Woodwork Club has grown into something of an institution at Warwick Academy. They, too, meet on a Thursday afternoon in the Woodwork Room. Some of these budding craftsmen and women have shown remarkable talent this year. They have started to carve wood sculptures as well as making the wooden boxes and tables. Mr. Kirk has been very pleased with his group and reports that they are a very talented group of students.

Woodwork

Visit The Woodwork Club On A Thursday Night!

Word Of Life

The Word of Life Club has been busy again this year. Led by Mark Hall and Miss Mattola they offer a Christian oriented club combined with fun activities. So far they have had scavenger hunts, pizza games parties and trips to Spittal Pond complete with ice cream. They are learning about the nature of God and all nineteen of them appear to belong to the best kept secret at Warwick Academy.

Debating

The 1989 Debating team included Rusheika Bassett, Krisia Haynes, Sasha Castle, Julia Wilson and their coach was Dr. Rollins. They participated in a competition during February, 1989. The first round was at Berkeley where our students debated against Warwick Secondary School. The topic was 'Eighteen year olds have the right to vote' and our students had the task of opposing the motion. After opening comments from both teams and a question-answer period, the Warwick students had accumulated enough points to win the debate.

Warwick Academy advanced to the finals which were held at the Teen Conference sponsored by the ABUT. Warwick debated against Whitney in the finals. The topic was "Bermuda should abolish outdoor Reggae Concerts". Warwick proposed the motion and Whitney opposed. Warwick gained ground during the question-answer section and went on to win the debate. The students won a brand new set of encyclopedias for the school and individuals prizes which included free movie passes and \$50 spending money.

Photo By Tony Cordeiro
Mid-Ocean News

Art Club

Left to right, Tasha, Victoria, Joanna, Claudia, Rachel, Mrs. Judd, Julia, Alnisha, Candace and Sara.

This year the Art Club was organized by Mrs. Judd and Mr. Taylor. They meet at lunchtimes and they are all encouraged to pursue their own interest. Some of the students concentrated on lino painting while others worked at watercolors. Others tried pencil drawing under the encouraging supervision of Mrs. Judd and Mr. Taylor.

Assistants

Assistants

Subject Assistants are a very important part of the makeup of the school. They provide a very valuable service for our overworked teaching staff, especially in the Science subjects. In these photographs you can see 4 of these intrepid helpers who sacrifice their lunchtimes in the interests of more efficiency for the school. They are Tracey Trimm, Diedre Whitehead, Keith Swan and Chris Hendricks.

Chris and Keith

Science Club

The Science Club.

Mr. Carbone was once again the moving spirit behind this club. They had three members this year- Cynthia Millett, Marisha Newton and Gina Bassett. They completed projects on Solar Ovens, Food Dehydrators, Periscopes, a Pinhole camera and Alum crystals.

Choir And Folk Club

The Prom Committee

The Prom Committee this year was the hardest working and largest committee that there has been in several years. Again this year the two major fund-raisers were a workathon during the month of February and Kiddyland at the Heritage Fair. The Prom will be held on 1st July at the Elbow Beach Surf Club. This committee is organized by Miss Shelly Grace.

Prom Committee

The Choir

The Choir this year was organized and directed by Miss Smith and Miss Lamont. They gave several concerts and were a great success. They sang at the Xmas Concert and at the Bank of Butterfield. There were 20 members and they sang a mixture of pop, classical and gospel. They meet at Tuesday lunch times and are at the moment preparing for a big Concert on 15th April.

Yearbook

This Yearbook has been a delight to complete. The lay-outs were completed on time and Jessica Patton worked hard to make sure they were accurate and interesting. The fund raising staff, led by Claire Mancell were just as zealous in their duties and supplied many a hot dog to the Warwick Academy savage hordes. Claire was able assisted by Rebecca Desilva and on other occasions by Alisa Hardy and Nghia Ly.

The advertising section looked after itself. With so many contacts in the business sector of Bermuda it is now relatively easy for us to fill our quota of pages on time. We still had a few problems to overcome but, all in all the book ran as smoothly as ever.

We have tried to show life at Warwick Academy as we see it. We attempt to keep copy writing to a minimum and rely on photographs to tell our story. This is Warwick Academy in 1989. There have been good times and there have been sad times. We have seen plenty of changes and we have seen plenty that continues in the same old way. We have a lot to be thankful for and, more importantly, we are all proud of belonging to this fine school.

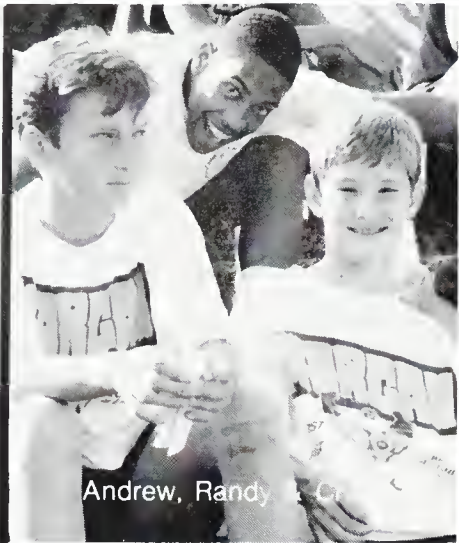

Finally we have to thank Fiona Rodriguez for our 1989 cover. Well Done.

Rod Monroe

Junior Girls Softball

Sometimes We Have To Dig

Seniors

Seniors Try Hard But Were Unable To Complete Season Through Lack Of Players.

Our Seniors did not have a successful year. For most of the season they were under strength and were forced to play with four or five Intermediates. Mr. Jones reports that no players received extra-curricular credit and that he hopes for a more committed group next year. The team in the photograph consists of Richmond Simmons, Chris Williamson, Manny Faria, Timmy Figureido, Carlos Sequeros, Derek Hurdle, Dennis Pimentel, Simon Gorton, Loren Lee, Carlos Lopes and Daniel Morgan.

Intermediates

Intermediates Try Hard But Have To Rely On Juniors To Make A Full Team

The Intermediates were coached by Mr. Smith who also had the greatest difficulty fielding a full side of eleven players. The Intermediates were forced to include three Juniors to make up a side for some games. Again, this was disappointing as we have quite a few good soccer players at this level. The highlight for the Intermediates was a Soccer Tour to Florida in March. This proved to be a great success and the coaches hope that this will provide greater interest in this sport next year. The team in the photograph consists of Euell Smith, Gerald Simons, Shane O'Halloran, Greg Tod, Anthony Wedderburn, Manny Faria, Chris Richards, Daniel Morgan, Paul Franco, Nakia Wolfe, Randolph Simons, Gebre Smith, Carlos Lopes, Keion Simmons, Jazane Smith and Jermaine Desilva.

Deep To Find Our True Potential

Juniors

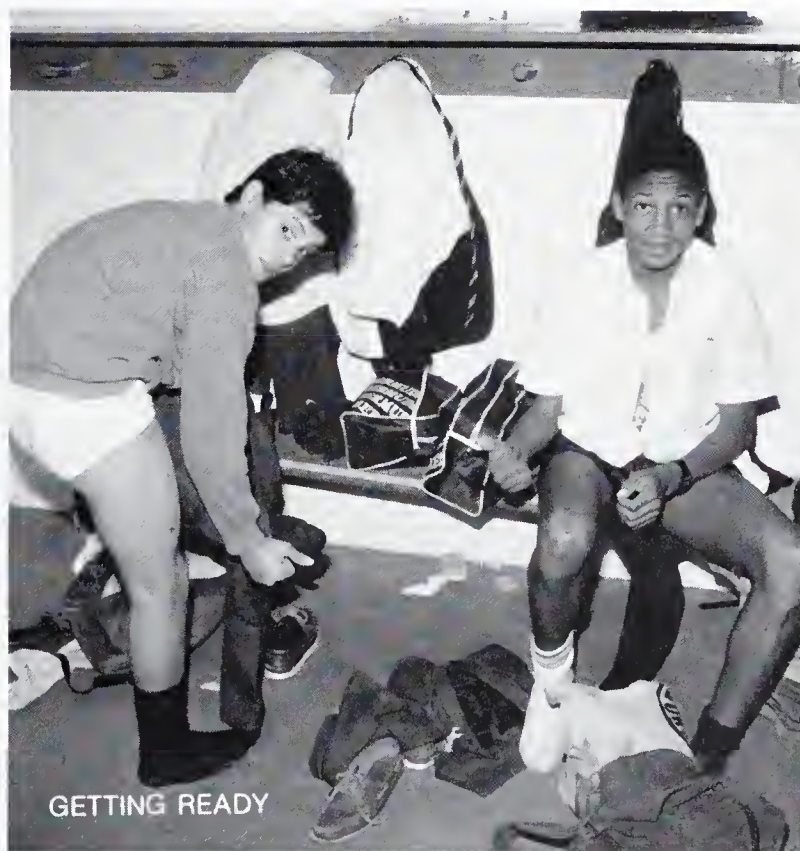

Juniors Finish At Top Of League But Lose In The Play-Off To Warwick Secondary.

The bright spot in the soccer calendar belonged to the Juniors coached by Mr. Monroe. They swept everything before them before falling to the stronger players of Warwick Sec. Our Juniors shared the league with Warwick Secondary but lost the playoff by three goals to nil. This team defeated a strong Sandys team by three goals to two in a thrilling match in December. They also defeated Whitney, MSA, Berkeley and Saltus by wide margins. They were able captained by Jazane Desilva and it is on the shoulders of this young team that soccer at Warwick Academy rests for the next 4 years. The students in the photograph are: Paul Franco, Robert Marques, Danny Faria, Stephen Pett, Sean Clarke, Miguel Daponte, Shane Weeks, Stephen Gorton, Andrew Gardner, Chris Pett, Daniel Smith, Jazane

CARLOS & SEAN

GETTING READY

Seniors Take Back Seat As Juniors

Juniors

Juniors Prove To Be The Stronger Team This Season.

Junior Netball

The Juniors almost had a perfect 10 this year. Coached by Miss Adderley, they won five and lost two of their games. They defeated Whitney, Warwick Sec., Sandys, Northlands, BHS, but lost to Berkeley and Devonshire Academy. Six of our players were recruited for the Warwick Redbirds junior league team and this will provide these girls with the experience they need. The girls in the team were as follows: Carla Ming, Tuere Eve, Jennifer Silva, Linnea Smith, Tawana Flood, Lynelle Bascome, Ainisha Daniels, Dalana Robinson, Erika Emery, Melissa Lindo, Lexza Simmons, Sasha Zuill, Zalika Taylor and Kelmia Butterfield.

DENIKA

SHERIE, CAROL AND MISS ADDERLEY

Move To The Front In Netball

Seniors

Sherie, Carla, Antina, Denika And Michelle Are The Stars Of Warwick Academy

Sherie Howes, Carla Zuill, Antina Mallory, Denika Smith and Michelle Caisey were selected for the All Star Team from Warwick Academy. Their coach, Miss Adderley was delighted with their selection. Such a strong group from Warwick showed where the Netball strength lay this season. Miss Adderley commented that we could have done better in the league but for the fact that the stronger school teams were made up from Senior League players. She cited our lack of a hard surface netball court as compounding our problem of being able to successfully compete with schools which are better equipped. The team won three, drew one and lost four games. The girls defeated Devonshire Academy, Warwick Sec., BHS, drew with Whitney, but lost to Berkeley, Sandys, Northlands and St. George's. The girls in the team were Denika Smith, Sherie Howes, Carmen DeShield, Carol Ann Williams, Paula Thomas, Carla Zuill, Fiona Roberts, Antina Mallory, Jana Lambert, Michelle Caisey, Jameka Paynter and Sasha Castle.

The Warwick Academy Basketball

Juniors

left to right, front row, Carlos Lopes, Jonathan Saunders, Daniel Morgan, Glen Davies, Philip Talbot, Derek Davis, Anthony Wedderburn, Ewell Smith, Lauren Joell. Second row, I-r, Coach Wilson, Bradley Tatem, Saffi Abbas, Mark Ferreira, Aaron Outerbridge, Aaron Zuill, Justin Wall, Nakia Wolfe, Jermaine Desilva, Thomas Sherrat, Jay Pedro, Jensen Cross and Raymond Walker.

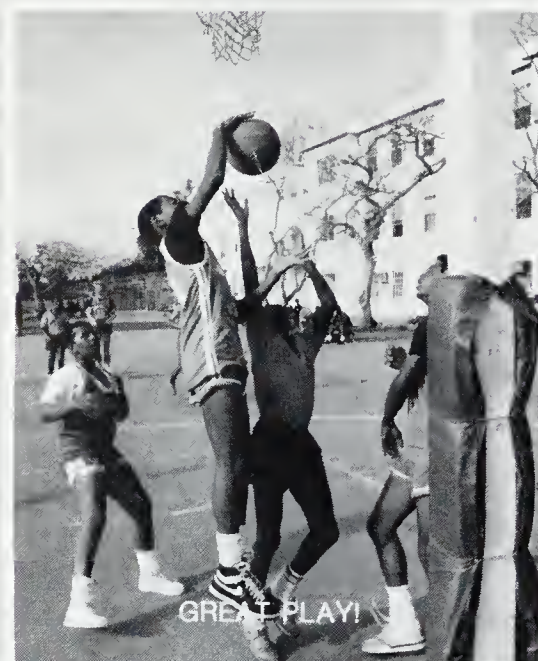

The junior boys, under the leadership of Coach Wilson had an outstanding year. With 9 wins and no losses they redeemed themselves from last year. This incredible team found their strength in strong "off-the-bench" support as well as a powerful starting 5.

They were placed first in the BSSF league and also won the major tournament. It is clear that many hard hours of practice paid off. Regular attendance from 22 players also indicates that there will be another great junior basketball team next year.

Warwick Academy scored a total of 425 points this year compared with their opponents 178 points. This team also won their games with an average margin of 24.7 points. Whew!!!!

Senior Boys Sweep All Before Them, Again!!

Senior Boys Basketball

Our Senior boys had a marvelous year. Under the coaching of Mr. Craik they swept everything before them by winning the Chaffee Tournament, the League and the MSA Tournament. They had 14 wins and no losses in this vintage year. They defeated Chaffee twice, St. George's three times, Northlands three times, MSA once, Sandys twice, Whitney once and Devonshire Academy once.

Derek Hurdle was named the MVP of the Chaffee tournament and Derek, Jason Hansford-Smith, Greg Soares, Abayomi Carmichael, Jason Kyme, William Drover and Jamie Pedro were selected for the All-Star team.

Co-captains Greg Soares and Jason Hansford-Smith led Derek Hurdle, Abayomi Carmichael, Jamie Pedro, Jason Kyme, Andrew Skinner, Denton Williams, Marc Hopper, Jeremy Johnson, Roger Saints, William Drover, Scott Turner, Jason Leseur, Carlos Sequeros & Craig Ferguson.

Basketball has become a very popular sport at Warwick but we still don't have the facilities to compare with other schools. Our outside basketball court requires resurfacing and lining and we really need a new gymnasium if we are to continue our basketball dominance in the schools league.

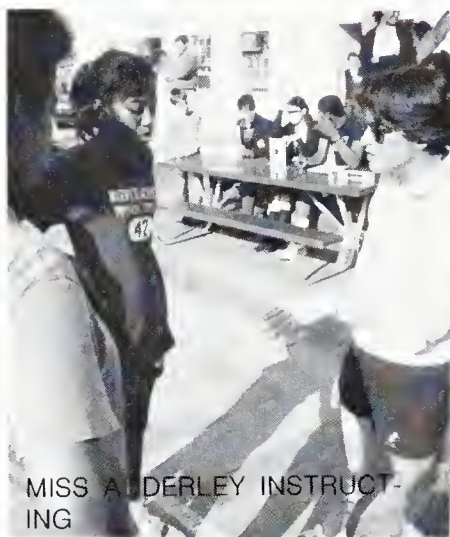

Victory!!

Juniors

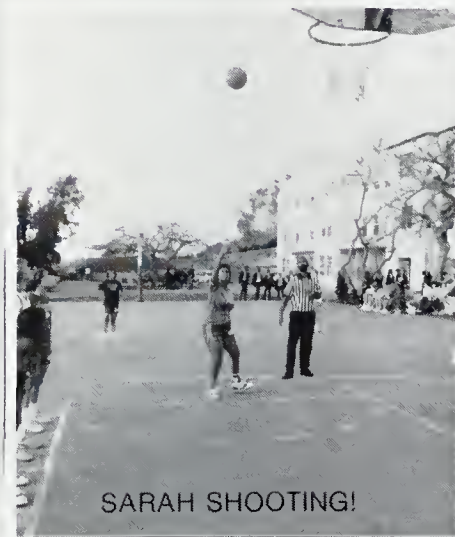

The members of the junior girls team were Lori Morris, Rachel Lambert, Melissa Butler, Tekeila Smith, Delkeesha Smith, Derik Brangman, Dawnette Maxwell, Rebecca Martin, Tamicia Lambert, Diana Trott, Tomeeka Talbot, Zalika Taylor, Megan Aruda, Keil Mello, Belinda Barbieri, Ife Bulford, Jenny Gosling, Keira Petty, Lisa Petty, Sarah Trott and Claudia Seymour.

MISS ADDERLEY INSTRUCTING

HALF-TIME TEAM TALK

SARAH SHOOTING!

Miss Adderley led her junior girls to another league championship in 1989. Her girls won the league convincingly, losing only one game during the regular season. The girls defeated Chaffee twice, MSA twice, Northlands and Whitney twice. They lost one game to Chaffee by 9 points to 5. At the BSSF tournament the girls defeated Northlands and Whitney but were defeated by MSA to be runners-up. The sheer numbers involved in this sport is an indication of the popularity of basketball at Warwick Academy. Such enthusiasm has made coaching very enjoyable for both the players and the coach.

ANTICIPATION

Girls Basketball Teams Look For

Seniors

The Senior Girls were: Carmen DeShields, Denise Harris, Tanya Semos, Jennifer Eve, Jessica Burgess, Carla Zuill, Theresa Perozzi, Lauritta Burrows and Michelle Caisey.

Coached by Mrs. Ryan the senior girls, throughout the season, played very well together, despite the fact that they were only able to win one game, against Chaffee. All the other games were very close, and in many of the games they only lost by one or two baskets.

They played Chaffee in the MSA tournament and lost a very close game by a score of 38-32. Chaffee then went on to the finals.

Although many of their games were lost, the individual team talents were incredible. Everyone played exceptionally well and should be commended for their efforts.

Six of the girls were selected for the All-Star game-Carmen, Carla, Jessica, Michelle, Tanya and Lauritta.

Winners of the Crayola One Mile Race

The girls cross country season got under way October 22nd with the Crayola Cross Country Race. Warwick Academy captured team honors with individual honors going to Amanda Smith (1st), Cara Wallington (2nd), and Natalie Rushe (3rd).

This began a very successful and enjoyable cross country season for both the girls and myself.

On November 5th the team also won the team trophy at the Minute Maid One Mile Race with Derika Bean placing 1st, Cara Wallington 2nd and Claudia Seymour 3rd.

November 17th saw the girls travel to the Warwick Dunes where they tackled a very tough three mile course and a tough opponent - Ridley College from Canada. The team placed second behind Ridley out of five schools.

On January 13 a very exciting event took place - The Front Street Mile. In the girls secondary schools division Derika Bean placed 1st in 6:10, Amanda Smith 2nd in 6:23 and Jennifer Smatt 3rd in 6:31.

The final event of the season took place on February 13th - The Secondary School Girls Cross Country at the Police Field. Although the team were lacking in numbers to qualify for the team standings (except U13), individually the girls performed exceptionally well. In the U13 category Derika Bean placed 1st and Quayante Spence 3rd. In the U15 category Amanda Smith placed 1st and Jenny Smatt 2nd.

This is the first year that I coached the cross country team and I must say I enjoyed it very much. I would like to take this opportunity to congratulate and express my appreciation to a very keen, enthusiastic and talented group of runners: Derika Bean, Jessica Patton, Elizabeth Schatz, Jennifer Smatt, Amanda Smith, Quayante Spence, Claudia Seymour and Cara Wallington.

See you next year, C. Ryan

Change Of Format Leads To More

Rugby

Senior Rugby

There was no official league for rugby this year but Warwick Academy students did participate in a programme organized at Saltus. Students from Warwick, Saltus, Northlands and Sandys combined together to form two teams to play games. These games were enjoyable and exciting. The players from Warwick were Anthony Cupidore, Kevin Outerbridge, Michael Daniel, Paul Rodrigues, David Paynter, Collin James, Brent Hagerman, Kent Hayward, James Morrison, Caleb Zuill, Zayne Seymour, Jermaine Fubler and Chris Williamson. At the Whitney 7's our Senior team won against Sandys but lost to Saltus by a score of 0-8.

Intermediate Rugby

Again there was no official league for this team and they combined with students from Saltus, Whitney and Northlands to form two teams to play games. Our team did compete in the Whitney 7's where they won the CUP after defeating Saltus 'A' and Saltus 'B'. The members of this team were Michael Smith, Jason Robinson, Nelson Oliveira, Andrew Rositer, Manny Faria, Joshua McGavern, Randolph Simons, Dexter Easton, Giovanni Simons and Jonathan Lightbourne.

Junior Rugby

MICHAEL SMITH & THE CUP!

We had only a small number of juniors this year and again, there was no official league for them. They combined with students from Saltus, Whitney and Northlands to play games. They competed at the Whitney 7's but lost to Saltus. The team members were Matthew Vernon, Stephen Pett, Chris Pett, Kyle Smith, Darren Herbert, Steven Gorton, Danny Faria, Chris Maiato, Michael Barbosa and Earl Tucker. Mr. Carbone, Mr. White and Mr. Taylor worked hard with our students to bring out the best in them. They were pleased with the efforts shown by those students who participated and, they are hoping that this enthusiasm continues into next year.

The Swim Team Comes Out Tops

Girls

Our Girls are Island-Wide Champions again. This was the message flashed to the school by Coach Glen Wilson following the Swim Meet in the Xmas Term. It has become somewhat of a tradition for our girls to win this event, and always in the style associated with Warwick Academy. Led by Jenny Smatt and Lisa Petty our girls swept all before them as they ploughed to a convincing win with 90 points against the 72 earned by BHS. Coach Wilson paid tribute to this sterling performance by crediting this win to the hard work put in by our girls in the first term. Coach Wilson also had high praise for our boys. They came second behind Saltus, but this was their highest placement ever in this competition. They scored 87 points against the 110 earned by Saltus.

The Swim Meet was also the scene of record breaking performances by Jenny and Lisa. Jenny broke the record in the 50m Breast and 100m Individual Medley, Lisa broke the record in the 50m Backstroke. The Swimmers making it to the All Star team were Lisa Boden, Lisa Petty, Angela Hayward, Fiona Roberts, Theresa Perozzi, Claire Mancell, Rebecca Pitman, Kristina Williams, Jessica Patton, Jennifer Simmons, Amanda Smith, Kirsten Butterworth, Jenny Gosling, Jennifer Butterworth, Rosalind Wingate, Nathalie Rushe, and for the boys, Jason Kyme, Jason Hansford-Smith, Scott Turner, Andrew Skinner, Brian Swan, Derek Davis, Jamie Pedro, Craig Ferguson, James Morrison, A. Gupta.

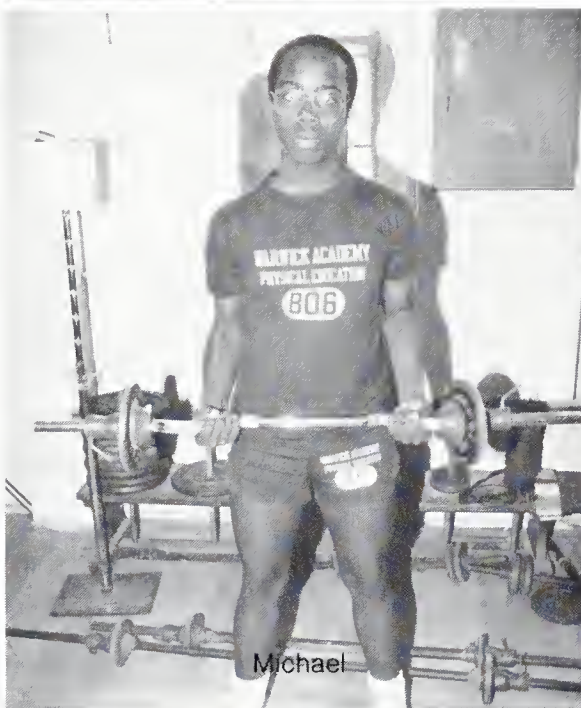

In Island-Wide Swim Meet.

Boys

Hustle And Bustle In The Weight Training Club.

Coached by Mr. Clark this sturdy bunch meet after school in the exercise room. Arm curls, cycle rides, sit-ups, bench presses all combine to make this one of the fittest group of students at Warwick. Stay out of their way.

Hockey Inspires Enthusiastic Response

Girls

This year's stickwork team was a dedicated and hardworking bunch of 1st Years under the tender care of Miss Grace. They came 4th at the annual competition which in no way reflected the talent found in this team. They were in fact only 9 points away from being 2nd, and this was a great experience for our 1st year girls.

This was a very successful year for our girls. Under the direction of Miss Coakley they were 2nd in the League, 2nd in the Inter-Schools Tournament. Best of all, six of our girls were selected to play for the West's All Star Team. They were Alisa Hardy, Rebecca Payne, Lori Morris, Sherie Howes, Claire Mancell and Denika Smith. The West won with a goal scored by Denika who was also the game's MVP.

This young team was coached by Miss Grace. They had an outstanding season and were placed second in the tournament behind BHS. They only lost on goal difference. They also placed second in the league behind Northlands. Well done girls and Miss Grace.

During A Warm Easter Term

Badminton Teams Run Away With Success.

The big news this year was that Robin Saul had won the individual girls championship. Jennifer Simmons was the runner-up but the spotlight belonged to Robin. Tanya Semos and Lorraine Benevides won the doubles championship by defeating Jennifer Simmons and Tonya Desilva in the finals. Joanne Bielby was the runner-up in the Intermediate girls and she also combined with Amanda Waltham to be runners-up in the doubles. Nakia Wolfe and Nathaniel Turner won the Junior boys doubles championships. Well done to Mr. Kirk and Mr. Hall on another fine performance by our badminton team.

Beginners

Intermediates

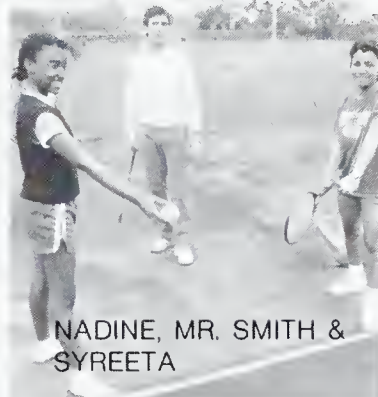

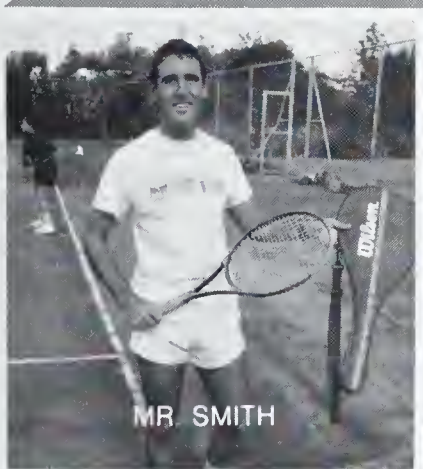

Seniors

Tennis

The tennis club, run by Mr. Wrigley and Mr. Smith, met three times per week throughout the year and catered to all levels of ability. Monday for beginners, Wednesday for Intermediates, Friday for advanced players. In all, over sixty pupils participated on a regular basis.

In BSSF tournament play the 014 boys beat Chaffee but lost to a strong Saltus team to finish runners-up in their division. The 014 girls also defeated Chaffee but lost to a strong Saltus team and finished runners-up in their league. The U14 team were due to play in the summer term and results were not available at press time. The 014 team members were Laura Kempe, Jessica Patton, Syreeta Bean, Nadine Smith, Lauritta Burrows, Lucy Furtado, Maria Rego, Gloria Furtado, Richmond Simmons, Chris Richards, Oric Curtis, Ari Ming, Shawn Minors and Caleb Zuill.

Our Volleyball Teams Complete A Season

Junior Boys

LEAGUE
CHAMPS!!

Junior Boys Almost Complete A Clean Sweep.

Junior Boys Volleyball

Our junior boys continued their winning ways in 1989 with a record of 9 wins and 3 losses. The A team defeated Northlands twice, Saltus twice, Whitney, MSA and lost one game to Saltus. The B team won against Saltus, MSA and Whitney and lost to Saltus and Northlands. The A team won their league while the B team came in second. The A team also won the MSA tournament, and again the B team were runners-up. Mr. Cunningham, their coach, comments that many of this team will represent Warwick next year as juniors, and that he is looking for another very successful season. The team consisted of: Greg Todd, Manny Faria, Carlos Lopes, Phillip Harris, Derek Davis, Manny Repose, Nelson Oliviera, Raymond Walker, Andrew Rossiter, Aaron Zuill, Justin Wall, Glen Davies and Mark Melo.

Mr. Cunningham & his successful volleyball team.

Senior Boys Volleyball

Our Senior Boys had a mammoth season. They won 14 of their 17 games and became League Champions and MSA tournament winners. Both the A and B teams competed enthusiastically, much to the enjoyment of their coach Mr. Cunningham. The A team defeated Whitney twice, Northlands twice, Chaffee twice, Saltus once and lost to Saltus and Chaffee. The B team defeated Whitney twice, MSA three times, Saltus once and lost to Chaffee twice. The team consisted of Greg Soares, William Drover, Mark Morris, Jason Kyme, Dennis DeFrias, Jason Hansford-Smith, Mark Hopper, Jamie Pedro, Carlos Amaral, Jason Dennis, Carlos Sequeros, Craig Ferguson, Kevin Mello and Derek Hurdle.

Adam?

Louisa

Can anyone stop the young Irish boy who earned top merits in the Xmas term? Eric Shatz has set a pace that our students are trying to follow. At the end of the first term Patton House had a commanding lead over Robertson. The Green Machine is really moving this year, led by Mrs. Slaughter and Mr. Hollins. In Sports, Rhodes won the tennis, Robertson won the bordenball, Patton won the netball and Rhodes and Patton shared honours in the soccer. Robertson won the tug of war, Patton won the cross country and Robertson also won the swimming competition. At press time Patton were still in the overall lead and looked a safe bet to win the House Competition in 1989.

Innovative Ideas From The Houses

Patton

Mrs. Slaughter at assembly

Led by Mr. David Hollins and Mrs. Janet Slaughter Patton House has enjoyed a tremendous year. The enthusiasm necessary for success was there in September and this has been nurtured into a strong determination to win the race for the Pennant. Continual positive feedback to the students at House Assemblies from Mr. Hollins has inspired greater effort in various competitions and the accumulation of merits.

The 1989 tee-shirt bore the slogan "The smile says it all" to reflect the happy spirit among the students after leading the Championship race. They all hope to be on top in June when Patton should take the shield for the first time in many years.

Robertson

Robertson House lost the redoubtable Mr. Buchmann last year but they retained their inspiration in the form of Mrs. Lombos. Mr. Craik was appointed housemaster of this most winningest house and they had a successful year. Resplendent in their new tee shirts the Robertsonians were the envy of all the other houses on Sports Days. They did fairly well in the merits race but excelled on Sports Days. Next year Robertson will, no doubt, have found that winning formula again and go on to even greater glory than before.

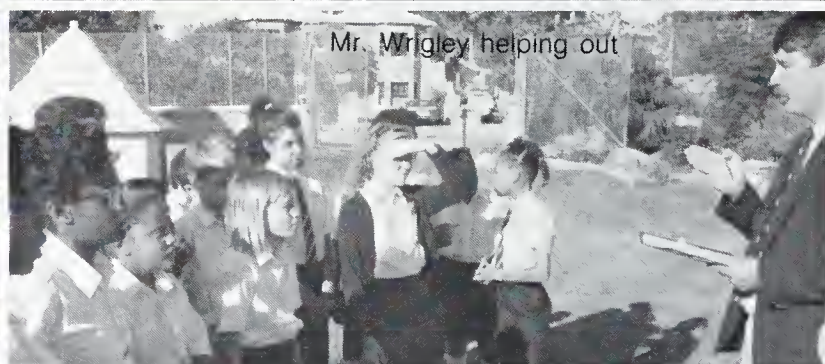

The Robertson leadership!

Rinelle up to no good

Mr. Craik conducting affairs

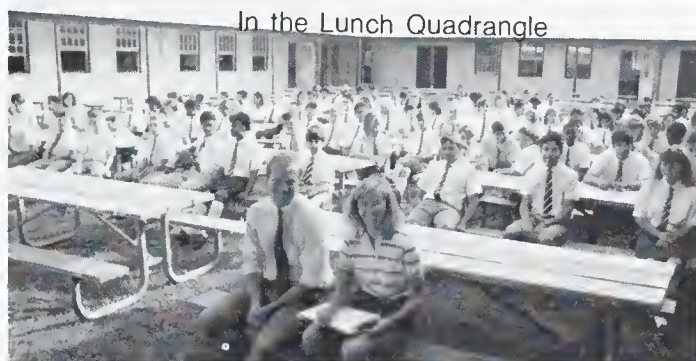

Mr. Wrigley helping out

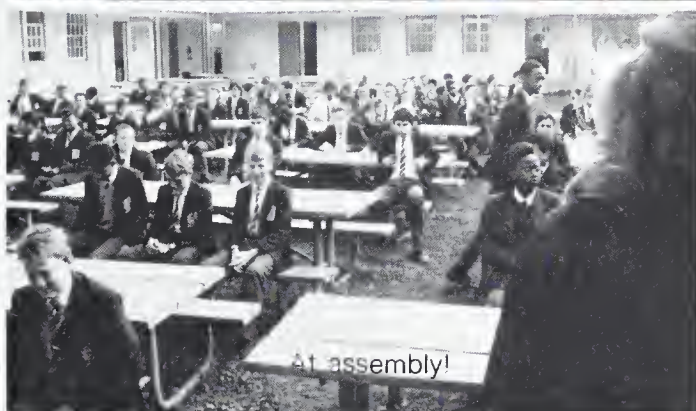

Restores Interest In Competition

Rhodes

Rhodes House were top of the form for most of the first term. They were led by Mrs. Ryan and Mr. Brennan and this explains their great success. The ever enthusiastic and energetic Mrs. Ryan steered her charges to many successes and the Rhodes people responded in kind. Mr. Brennan, hurt playing rugby and absent for part of the year inspired the boys to greater efforts than they believed possible. This was a super year for Rhodes who had the unenviable reputation for managing to 'win' last place in the pennant race. Good things are expected and assured from this formidable team of staff and students.

In the Lunch Quadrangle

At assembly!

Mr. Brennan & Mrs. Ryan

Morgan

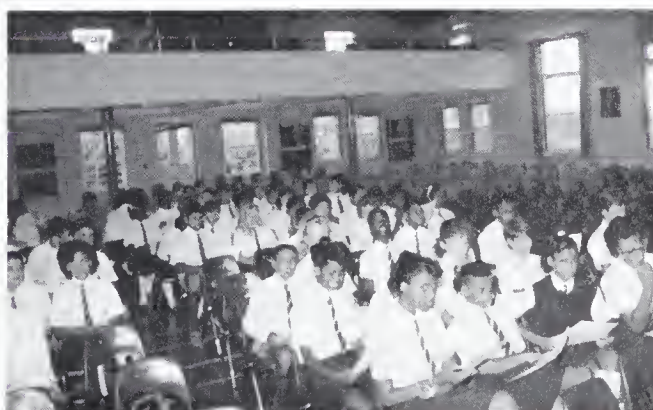

Morgan House was led by the effervescent Coach Wilson and Miss Smith. On many a Tuesday morning Coach Wilson could be found hauranging his students to greater efforts with his simple forthwright style. On top of a chair he could be seen encouraging and stimulating the Morganites to more victories throughout the year. Morgan did not do as well as expected but they showed the greatest style among all the houses for grace and sportsmanship. WE look forward to a successful year from Morgan in 1990. Will next year really be 1990?

Mr. Wilson & Miss Smith

Derek, Maria & Lucy

News!!

The Washington Trip.

This year's Washington trip involves 41 students and they will be chaperoned by Miss Grace, Miss Coakley, Mr. Jones and Mr. Patchett. They leave on 13th April and return on 24th April. They will be visiting the Amish Country and the Virginia Mountains. The students are also looking forward to seeing the White House, the Washington Monuments, Mount Vernon, the Library of Congress, the National Zoo and the Smithsonian Institute. This year they are also having a special treat by going to watch a basketball game between the Bulls and the Bullets.

Third Year Health Projects.

The third year Drug projects were to demonstrate how different drugs work on the body. The drugs ranged from cocaine, caffeine, steroids and 'weed' to barbiturates, opium and penicillin. The students used videos, projectors, posters, tapes and samples as projection aids in the oral projects and some were presented on Open Day for the general public. The students learned about many common drugs and the harm they can do. The projects provided an optimistic message that young people can learn through research, about the use and abuse of drugs.

Mr. Warren Jones.

In 1987/88 Mr. Warren Jones spent one year at the University of Southern Maine. He received his Master's degree in Educational Administration and a Principal's Certificate from the State Office of Certification and Placement. It was a very good year for both he and his family. The two highlights of the year were working as Assistant Coach of the University of Maine Soccer team and; interning in the Assistant Principal's Office of Portland High School, a diversified Inner City School which has a fine programme available to its student population.

Our Senior Soccer team at the 6-a-side tournament showing Timmy Figureido, now playing goalkeeper for Vasco Da Gama Club.

Sportswomen of the Year.

Our own Jenny Smat was voted the Sportswoman of Bermuda for 1988. Jenny holds the island's 100m and 200m breaststroke records as well as the 100m backstroke and 200m individual medley records for her age. Jenny has been a member of Bermuda's National squad since age 9 and in August, 1988 she led Bermuda with a triple medal performance, a gold and two silvers in the 22 National Caribbean Championships. She obtained 2 silver medals at the Waterloo University Invitational Breaststroke during the Open Age Caribbean and Central American Championships in July. Swimming competitively for more than 8 years she wants to continue and hopes to attend the Commonwealth Games in New Zealand in January, 1990.

Caitlin Garland-Outstanding Teen 1989.

Being chosen outstanding teen of 1989 has been Caitlin's highlight-so far! The award is a very significant and meaningful one to her as she was chosen by her peers. Their decision was based on an interview where she was asked many questions about her opinions and beliefs on current issues and on her involvements and activities in and out of school.

The first activity on her agenda is to appear on "News and Views", a programme discussing contraception. The Yearbook Staff wishes her all the best in her year as Bermuda's Outstanding Teen.

Lisa Boden-The Top Student of the Bermuda Audubon Society's Natural History Course

The Bermuda Natural History Course last year, was directed by Dr. Wingate, assisted by Mr. Hollins and Mr. Chandler. Also attending were 5 Werwick Academy students: Robin Saul, Kristina Williams, Leura Monk, Rosemary Seymour and Lisa. The week long camp was held at Nonsuch Island and involved a challenging look at Bermuda's ecology, vegetation and wildlife. The course involved many lectures, tests and long nights of study. Lisa was awarded the Mervyn White trophy for top student and she will return next year as a Councilor.

The History Xmas Tree

Our students were pleasantly surprised before Xmas to discover an Xmas tree at the back of the P.P.M.H. Upon investigation they soon discovered that this was no ordinary Xmas tree. The ornaments were made by our first year students and symbolized events from Bermuda's past. The ornaments ranged from hog pennies to the Bermuda Moon-gate. These students were taught by Miss Adderley.

Grete Waitz.

The school was honored by a visit from Grete Waitz and her husband in January. Grete talked to our students about her running career from an early age. Her achievements and records are endless and she hopes to continue competing worldwide as long as she can maintain her excellent standard.

Kenneth Amis

Ex-students Kenneth Amis provided a treat for the music students during the Easter term. Kenneth, who is studying at University in America, played his tuba to a very appreciative audience. He also joined the band in playing Dvorzak's Symphony No. 9. Kenneth also corrected a few minor discrepancies in our playing and this piece will have star billing at the concerts on 15th April, 1989.

Mr. Hall receiving adulation on Open Day.

Mr. Hall was pleasantly surprised to find himself the recipient of an adulation award on Open Day. This took the form of a gigantic banner presented to him during class time. This was all part of the Open Day activities which were the highlight of the Easter term. Students and teachers created an educational ambience for the guests of the school. Mr. Hall, who spent the day playing with a large dice was astonished with his well earned reward for his endeavors.

Our
Musicians
In Action!

Perfect Need To Practice? Think About It!

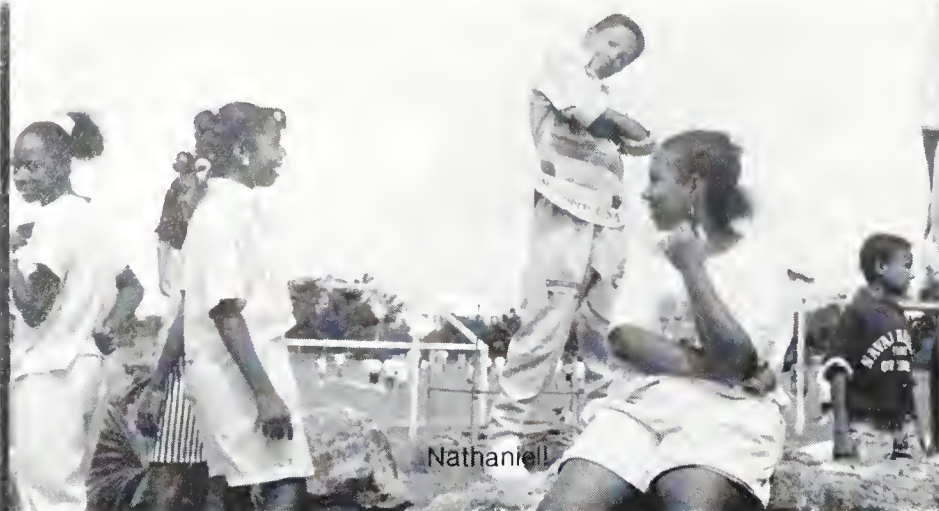

This year the Music Department has witnessed the return of Mr. Jones and the appointment of Miss Rebecca Lamont. Miss Lamont reports that the Chamber orchestra has 39 members and they have put on concerts at the Peace Lutheran Church, Woman '89, the ABUT Music Festival and 3 West End Primary schools. Their most exciting project was a concert for Brendan Hollis' Xmas program on Bermuda.

There were 54 members on the Concert Band this year. It was divided into 3 groups-Full Concert Band, Senior Ensemble and a Wind Ensemble. The major concert of the year was at Warwick on 15th April. They have also performed at the Belmont Hotel, Rose Bank Cottage, City Hall, Ruth Seaton James and at various Primary schools.

For the first time since 1981 the school had a full orchestra comprised of the top wind and string players. They performed at the Bank of Butterfield and at our Prize-Giving ceremony. The highlight of the year was a performance at the Southampton Princess on 7th May. This performance will be to help raise funds for the T.B. and Cancer Association.

Warwick Academy Drama Society Proudly

Sandi

Brent & Shika

Kiona & Jenny

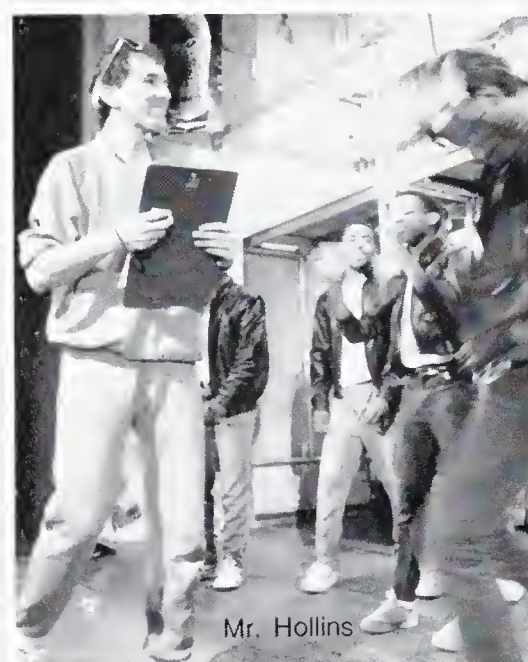

Mr. Wrigley & Kiona

Attended by appreciative audiences for four memorable nights in February, this year's drama production "Grease" was an unmitigated success. Directed by our very own Miss Wendy Lambert the students gave a riproaring performance of this very exciting musical. Brent Hagerman and Shika Raynor took the lead in this story about teenage lifestyles in the fifties. Danny and Sandy were brought to life for a brief time by these two talented actors. They were very much supported by the rest of the cast: Lawreida Thomas, Kiona Estravit, Denniqua Burrows, Kent Hayward, Oric Curtis, Loren Lee, Lincoln Raynor, Fiona Rodriguez, Alexandra Duzevic, Michael DeCouto, Shawn Minors, Carol Ann Williams, Jennifer Butterworth, Herbert Drummond, Colin James, Zuhairah Khaldun, Edward King, Adam Kirk, Denise Matthews, Andrea Powell, Natalie Purvis, Michelle Richardson, Jonathan Saunders, Robin Saul, Randolph Simons and Anastasia Smith.

And who could forget the startling performances given by Mr. Patchett as the older Eugene? Will we ever recover from Mr. Wrigley as Vince Fontaine or Coach Wilson serenading a hapless Rydell student. Mr. Hollins was unbelievable as the Coach who almost forgot his lines and Miss Smith was unforgettable as the High School teacher.

Also involved were: Mr. Warren Jones in charge of Music, Mr. Rodriguez and Mr. Hall in charge of lighting, Mr. Kirk and Mrs. Judd in charge of the Set, Andrew Hawkins in charge of sound, Mr. Taylor in charge of Props, Miss Mattola in charge of makeup, and Mrs. Slaughter, Mrs. Hanlon and Lisa Boden in charge of Front of House.

Ms. Lambert, Ms. Lorraine Smith and Ms. Nancy Smith are to be congratulated on a fine school musical which was enjoyed by all those who attended in February.

The Cast

The Superb Clothing Mart

The Clothing Marts Of 1988/89

The Clothing Mart was very ably led by Penny Terceira in 1989. She had a great crew to help her: Lynne Fisher, Henrietta Bean, Rosemary Clipper, Susan Garland, Mavis Eldridge, Anne Ingham, Cornelia Kempe, Val Sofianos, Penny Stewart, Carol Sousa, Marjorie Stanton and Dorothy Broadhurst. All these ladies worked hard to bring Warwick Academy some of the financial support it needs to survive. The hardest workers in the fall sale were Denise Beacroft with almost 30 hours, Mary Godet with 28 hours, Eliza Nielsen with 21 hours, Lisa Kemper with almost 18 hours and Helen Gardner with almost 18 hours. Well done and a grand thanks from the students.

What Would We Do Without Them?

The Warwick Academy Association.

Report of the Heritage Fair Chairman prepared for the 1988 Annual Geneneral Meeting of the Warwick Academy Association.

I have always had some difficulty in starting reports because I always like to make a positive Statement at the onset to get the reader's attention and to leave you with perhaps a thought just in case you get distracted during the course of your reading. The Warwick Academy Annual Heritage Fair is the Association's main source of funds and for this reason alone deserves the attention and commitment of both parents and students.

The annual Fair this year was once again plagued with inclement weather which led to the early closure of the Fair grounds on the first night. This obviously did not aid our cause however a good turn out on the second night allowed us to rebound and the final gross take of \$71,323.92 was indeed gratifying to all concerned considering the effort that was put into the Fair. The post-mortem was useful and many new ideas did emerge which should give the new committee more to work with next year.

Having taken in such a huge sum of money we were likewise required to pay out an amount of \$41,502.00. This was the real setback because it only left us with approximately \$30,000.00 to give back to the school and to the benefit of the kids. You might ask the question and rightfully so: "Why were our expenses so high and is there anything can we do to reduce them?"

Here are a few costs amounting to approximately \$9400.00 which we could do something about only if we had a viable alternative!!

Security	\$ 4700.00
Stall Construction	\$ 2033.00
Electrical Wiring	\$ 833.00
Advertising	\$ 1835.00

If we had more Parents who were willing to commit the time for the Fair we could conceivably have better control over these costly services. Unfortunately, I would be very reluctant based on the level of commitment some parents of Warwick Academy have in the past demonstrated, to recommend that this be the responsibility of a Fair manager. The message should be clear "we can do a lot more but a lot more time must be spent by a lot more people."

Since this is my last year with the Warwick Academy Association and obviously my last year as Chairman of the Fair I must thank all those parents who have been extremely generous with their time and who have contributed in many different ways to the success of the Fair. Also I would like to thank the Stall Managers and Warwick Academy's staff members for their support. Finally special thanks must be given to a small team of people who assisted me in the background during the Fair: Travis Hopper, Kirk Davis, Patricia Swan and Sinclair White. Thanks and Good Luck next Year.

In The Wake Of The Educational Planning

PRIZE
NIGHT

MR. BEACROFT

DR. JACK PATTON
CHAIRMAN OF BOARD OF
GOVERNORS

DR. IDWAL HUGHES

J. IRVING PEARMAN, J.P., M.P.

IMPORTANT GUESTS

The School Orchestra played superbly under the direction of Miss Lamont. Their selection reflected the wide range of music taught at the school. They played the Finale of Beethoven's Fifth, Somewhere Out There arranged by Bob Lowden and the Russian Sailor's Dance by Reinold Gliere. Our musicians were a credit to Miss Lamont and Warwick Academy.

In his prize day speech the Chairman of the Board of Governors, Dr. Jack Patton again talked about the issue which most concerns the school at the present time-the changes proposed by the Educational Planning Teams. The Educational Planning teams appointed by the Minister of Education have made their reports and Dr. Patton predicts that they will mean some important changes in the Bermuda educational system, and specifically at Warwick Academy. If these are implemented, and prove unsatisfactory to Warwick Academy, then there is the suggestion of moving this school into the private sector. Dr. Patton has already been assured by the Minister of Education that government will not obstruct the statutory right of the school to accomplish this task. However, nothing is certain as yet and the proposals of the Planning teams may in fact make positive contributions to the Academy, the flagship of the Bermuda government education system. Dr. Patton suggests that we wait and see, but reserve the right to defend our reputation for excellence if the planning teams proposals set the stage for mediocrity in the school.

If Warwick Academy does not continue as an aided school then it must actively seek several means to finance its future. To this end Mr. Frank Rogers, a previous deputy headmaster, has been busy creating an alumni list of our old boys and girls. It is hoped to restore contact with these past pupils and use their support to strengthen the Warwick Academy constituency.

Dr. Patton also paid tribute to Mr. Rodriguez for his leadership in 1987. He called him a 'man for all seasons'. Dr. Patton also paid tribute to the Clothing Mart, the Warwick Academy Association and all the other people who have helped the school in many ways.

Finally Dr. Patton paid tribute to our new headmaster Mr. Bernard Beacroft. His estimation of our new headmaster is so high that Dr. Patton already sees the appointment as a significant milestone in the history of Warwick Academy. He is confident that under Mr. Beacroft's leadership 'the school will assimilate change and enhance its reputation for learning, scholarship and good conduct'.

In his speech on Prize Night The Honorable Irving Pearman spoke mostly about character. He asserted that character 'involves the capacity and willingness to find what is right, the will to choose the right way, then the strength of will to resist all other actions and impulses and do what is right'. He told our students not to fear making mistakes. He told them to fear only the fear of making mistakes. Mr. Pearman asserted that only the timid make absolutely no mistakes.

Mr. Pearman encourages our students to be inspirational, to etch their dreams and not to yield their place in line to anyone else. He complimented our students on their record of academic excellence and extra-curricular activities. He told us that our environment instills the values of self-discipline and respect for others and that it is up to us to diffuse this experience throughout the entire community.

Education he told us was a lifetime pursuit and he hope that we at Warwick would never reach the land of 'the done'.

Headmaster Makes The Physical Condition

ANNUAL REPORT

WARWICK ACADEMY PRIZE DAY, 1988 HEADMASTER'S REPORT

The compilation of the list of the school's activities for each academic year is an annual check on the educational health of the school community. You have a copy of the record of Warwick Academy's work for 1987-88 with your evening programme. I am sure you will agree that this record continues to be a most impressive one, underlying yet again Warwick Academy's reputation for excellence in racial integration and academic and extra-curricular achievements.

The total number of GCE 'O' level passes at grades A to C was 403, a 64% pass rate. 33 of the 66 fifth formers gained at least 5 GCE 'O' level passes at grades A to C and 17 of them obtained at least 10 such passes. Jennifer Ingham, Phillip Jolliffe and Elizabeth Pimentel were the most outstanding scholars with 13 'O' level pass grades each. I congratulate them for their remarkable success. There were some very pleasing results, too, by particular subject departments, especially the Sciences. The school achieved 100% pass rate in Physics with Chemistry, 81% pass rate in Chemistry, 80% in Physics, 75% in Mathematics, 69% in Human Biology, and 95% in English Language. These results were well above the subject average figures for the University of London 'O' level examinations board.

Everybody in year 5 graduated in the BSSC. Each fifth former obtained at least 45 credits (35 are needed to graduate) and 10 students obtained honours. In Bermuda as a whole there were 15 BSSC honours students. Katherine Hubbard was our best honours student with a 3.9 GPA. Katherine also passed 12 'O' level subjects, and is the first girl to be awarded the overall outstanding teenager at this year's teen conference. All of the names of the BSSC honours students are recorded in your copy of the Headmaster's report.

Several Warwick Academy students won some very prestigious public awards for their academic work. Baccalaureate scholarships at United World Colleges were taken up in Italy by Michelle Brock and in New Mexico by Catherine Ross. Lisa Boden, now in 5 music, won the Mervyn White Trophy, presented by the Bermuda Audubon Society, for this year's outstanding student at its natural history course on Nonsuch Island.

The chartered accountants of Bermuda chose Paulo Correia as their outstanding student of the year for his All-Around Excellence. Paulo also achieved 12 'O' level passes and he was a BSSC honours student with a 3.8 GPA.

The teen conference this year, which honoured Katherine Hubbard, also awarded Phillip Jolliffe as Best Academic Boy, Arnold Todd as Best Sports Boy, Renee Benjamin for her Community Service, and Tamiko Black for her Religious Leadership.

The school also congratulates Renee who is currently in Spain taking part in the Rotary Exchange Programme.

In the Royal Gazette Christmas story competition the school's

entries did very well indeed. Shika Raynor, 2 Music, and Robin Saul, 4 South, took first and second prizes respectively, and Christopher Gauntlett, 3 Music, was awarded the prize for Exceptional Promise.

Heather Brown and Therese Lowe, both of 2 North, received awards in the Royal Commonwealth essay competition.

Former Warwick Academy students did exceedingly well in winning scholarships to further their education. Our former students took 3 of the 4 Bank of Bermuda scholarships, 4 of the 8 Bermuda Government scholarships, 3 of the 6 Fessenden Trott scholarships and 6 of the 15 International Companies Education Awards.

Students are also assessed internally. Their year grades consist of a mark of 60% based upon continuous assessment and formative tests given throughout the year and a mark of 40% based upon an end of the year written examination. On this basis, students gaining an average of 80% or more for the year achieve first honours, those with an average of 75% to 79% receive second honours, and those with an average of 70 to 74% earn an honourable mention. I understand it is a longstanding tradition of the school for the Headmaster to call out the names of those students gaining first and second honours. As each name is called the student and his/her parents are asked to stand and to remain standing until the list is completed.

Second Honours: Megan Aruda, Belinda Barbieri, Eleonora Barbieri, Heather Baylay, Renee Benjamin, Crystal Burgess, Kirsten Butterworth, Sinead Byrne, Ranae Cann, Shane English, Gloria Furtado, Jenny Gosling, Jennifer Ingham, Richard Jacobson, Claire James, Phillip Jolliffe, Jason Kyme, Keisha Lightbourne, Claire Mancell, Rebecca Martin, Aleesha Maybury, Jason Moniez (Leseur), Kirk Outerbridge, Jamie Pedro, Teresa Perozzi, Elizabeth Pimentel, Megan Pitman, Shika Raynor, Manuel Repose, Michelle Richardson, Sharika Richardson, Crystal Rogers, Nathalie Rushe, Richmond Simmons, Melanie Simons, Amanda Smith, Denika Smith, Michael Smith, Michael Sousa, Erica Symonds, Paul Telford, Arnold Todd, Tamika Todd, Sarah Trott, Amanda Waltham, Julie Williams, Kristina Williams.

And now, the list of those students gaining first honours last academic year: First Honours: Syreeta Bean, Lorraine Benevides, Lisa Boden, Jessica Burgess, Lauritta Burrows, Cristina Correia, Paulo Correia, Michael Daniel, Sajah Fox, Caitlin Garland, Juwonn Hayward, Meredith Head, Katherine Hubbard, Laura Kempe, Suzanne Mayall, Keil Mello, Lucia Moreira, Marisha Newton, Nelson Oliveira, Jessica Patton, Katie Patton, Rebecca Pitman, Monika Rohlmann, Catherine Ross, Jonathan Saunders, Eric Schatz, Alison Shadbolt, Shareena Simons, Jennifer Smatt, Anthony Wedderburn, Aaron Zuill.

Extra-curricular activities are a strong and impressive feature of Warwick Academy. Students are urged to participate in at least two extra-curricular activities each year. I have described something of most of these activities in the detailed report you have with you. When I say that last academic year Warwick Academy fielded over 40 sports teams, operated 12 clubs and societies, printed a year book and a newspaper, ran a daily Tuck Shop and teams of Science Laboratory and Library Assistants, and supported a Concert Band, an Orchestra and a Choir you will appreciate immediately the wealth of diverse opportunities for personal and social development offered by the school to the students. These figures reflect the tremendous participation by the staff of Warwick Academy and I must pay tribute to their dedication, enthusiasm and organizational skills in providing so much for the students to do! I thank them on your behalf for all their after-school work during the year.

In sport, school teams won 6 league titles and 7 BSSF tourna-

Of The School His Priority In Year One.

ments. Catherine Ross and Meredith Head both represented Bermuda in the ladies' Under-21 Field Hockey team which toured Canada twice this year. Jennifer Smatt broke several national schoolgirl swimming records.

The Concert Band, Orchestra and Choir continued to uphold the musical traditions of Warwick Academy. All the musicians took part in the Christmas concert here at School and all made a video-taped Christmas day special programme for ZBM. The Concert Band played at the Premier's Concert at City Hall in Hamilton and gave a performance at the Elbow Beach Hotel in February. About the same time the Orchestra provided live music for the opening of the Woman '88 Art Exhibition held in Hamilton. Warwick Academy musicians again took part in an exchange programme with the Coburg Institute of Ontario, the school travelling to Canada in March and entertaining members of the institute here in Bermuda in May. The fifth year musicians deserve special mention for their excellent solo and combination performances at the end of year summer concert. During a busy year our musicians also played at the Peace Lutheran Church, several primary schools and, very recently, at the opening of the new branch of the Bank of Butterfield. Justina Kennedy was chosen to play in the Lions of New York and Bermuda Youth Band at a Lions Convention in New York City in May.

Other Warwick Academy students travelled abroad last academic year as well. 40 students went to New York and Washington D.C. with 4 staff and 12 students and 2 teachers went to North Wales on a Geography field course.

Most of this report, rightly so I think, is retrospective, looking back and reviewing the school year just gone. I wish to finish, however, by looking forward to 1989. I don't feel that I can comment yet upon the educational reforms being suggested for Bermuda. Whatever is decided by the minister will have implications for Warwick Academy's future status and organization and, as Dr. Patton has said, the school is at an educational crossroads and facing a serious dilemma. But whatever the outcome of Bermuda's educational deliberations there are important issues which Warwick Academy should address immediately.

Last year at this time the Chairman of the Board of Governors made a strong plea for the improvement of the physical plant at Warwick Academy. A close inspection of the school reveals an inadequate gymnasium, very unsatisfactory changing accommodation for boys and girls, poor storage facilities for both personal possessions and school property, worn-out plumbing and sanitation. Cracked, uneven and unsafe paths & roadways. Perennial leaks in the school roof, old and shabby furniture, very little air conditioning, a very skeleton internal telephone communications system and no separate room provision for senior members of staff. The physical plant of the school needs to be much improved, for the sake of aesthetic appearance and organizational efficiency.

I am pleased to say that the ministry of education has continued its policy of replacing the rotting wooden window frames with aluminum ones (over 100 wooden framed windows in the old building and 60 in the Science block still need replacement). It is presently paying for new sanitation on the west side of the school. It has promised to redecorate the whole school, inside and out, during the present academic year. The decoration of the exterior has started.

Redecoration will do much for the appearance of the school. The school staff, students and parents through small self-help schemes can improve the physical environment still more. The school is most grateful to the Warwick Academy Association for its willingness to pay for the installation of ceiling fans throughout the school. These will all be in place within the next few months. It is my hope that by

this time next year Warwick Academy will look more attractive physically and be organizationally more efficient with re-numbered classrooms, directional signs, at least one reception area and a much improved staff work room with modern technology for better lesson preparation and presentation.

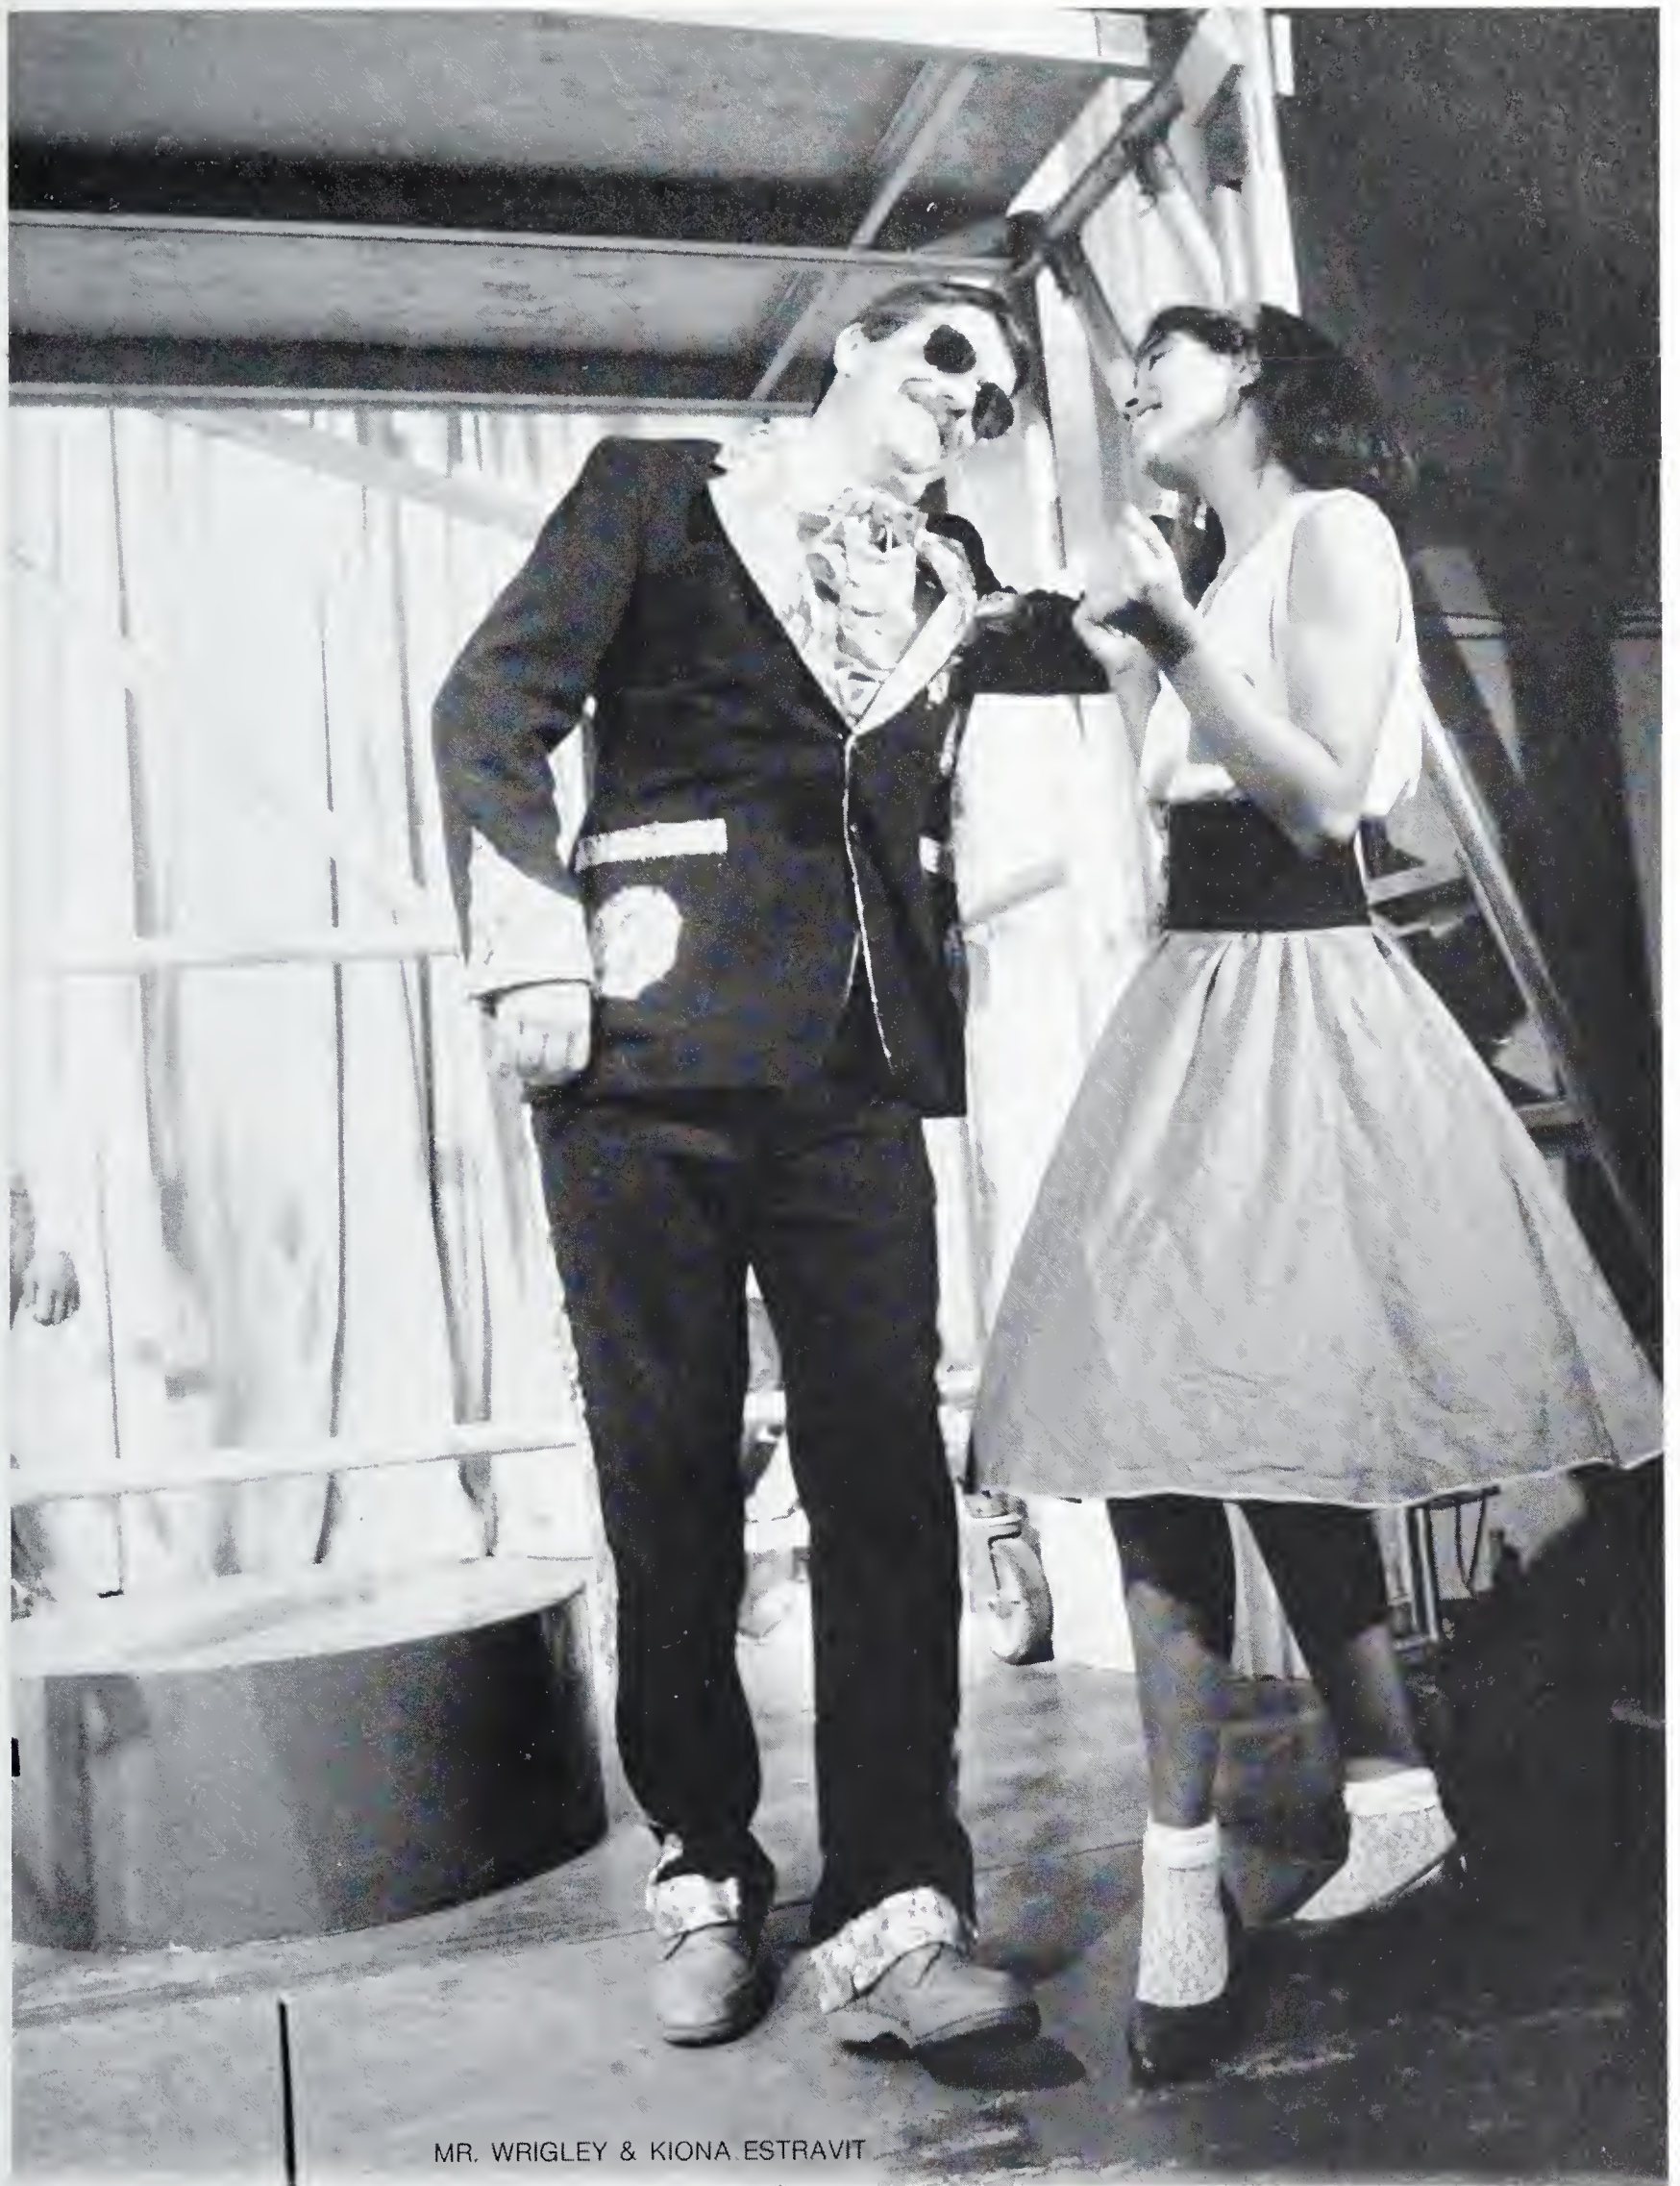

During this year, too, the school must seek ways to improve its channels of communication, first with its parents and later with the local community. Warwick Academy must have the support of its parent body and the school must do all it can to increase parental knowledge and understanding of school policy and organization, its aspirations and achievements, its problems and difficulties. Parental support strengthens staff morale and endeavor and the students benefit both from a heightened parental interest and from greater staff commitment. End of term letters from the Headmaster to the parents, improved school brochures and students handbooks, educational workshops organized by staff for parents, parental involvement with school assemblies, sports days and other social occasions are some of the ways of improving school-home communication. The Warwick Academy Association is keen to promote this vital link as well.

Curriculum development at Warwick Academy is closely fettered by the present policies of the Ministry of Education in relation to the BSSC, the GCE 'O' level and the GCSE. However, I feel very strongly that Warwick Academy should develop information technology across the curriculum and this is something which I know the ministry is keen for secondary schools to do. I have submitted to the permanent secretary for education a strategy for the introduction of information technology to Warwick Academy and, if it is acceptable to the minister, the programme should be in place here for September, 1989. Information technology, of course, is now an integral and essential part of Western culture, profoundly influencing everybody's daily lives as workers and consumers. The task of Warwick Academy is to make its students familiar with the main applications of information-data bases, word-processing, spread sheets, control applications, computer assisted design and graphics - and its consequences, both social and ethical. In particular our students should learn that the personal computer and its accessories are tools to help them in a variety of ways with their formal education and their personal lives. Certainly, the introduction of information technology to Warwick Academy will help to modernize the curriculum and make lessons more exciting for teachers and students, render learning more relevant to the modern world of science technology and business, and stimulate all students in their task of assimilating knowledge, skills and concepts.

On behalf of Mr. Rodriguez, who led the school last year, I would like to finish by thanking most sincerely all the people who have supported Warwick Academy and contributed to its work and success in 1987-88. Thank you to the Board of Governors, the teaching staff, the clerical and caretaking staff, the Warwick Academy Association, the ladies of the Clothing Mart, the parents and the students. Your support of the school is always needed and much appreciated. Long may Warwick Academy prosper.

Mr. Bernard Beacroft,
HEADMASTER

Juniors Girls Volleyball.

Coached by Mrs. Ryan the Junior Girls Volleyball team were league champions in 1989. They defeated MSA, Northlands and Whitney to claim the championship with a clean sweep. This team also won every game within the matches, quite an outstanding achievement for the girls and their coach. The BSSF tournament was a bit of a disappointment by their own admission. The same girls who were undefeated in regular season play stumbled just a little at the MSA gymnasium. The "A" team was placed 3rd and the "B" team was placed 6th. However, a group of first year girls were placed joint first in their division.

Lori Morris and Gloria Furtado were co-captains. Nancy, Ife, Gloria, Lynette, Melanie, Lori and Rachel attended 95% of practices and Samantha and Crystal attended all practices.

Again the facilities at Warwick hinder the development of this sport. Our gymnasium is not big enough for a volleyball court and this places our girls and their coach at a disadvantage.

The team consisted of the following girls-Nancy Barbosa, Ife Bulford, Jessica Burgess, Samantha Burgess, Crystal Burgess, Luzianne Cordiero, Christina Davis, Shareika Dent, Gloria Furtado, Theresa Perozzi, Lynette Powell, Melanie Ray, Amanda Smith, Candace Spring, Lori Morris, Rache Lambert, Jenaia Curtis and Elizabeth Shatz.

Senior Girls Volleyball

Under the direction of Miss Mattola our senior girls were placed 2nd in the BSSF league, 3rd in the BSSF and the Chaffee tournaments. The girls defeated MSA, Northlands, and Whitney in the league. They went down to a single defeat by Chaffee after a close fought duel at Warwick. Only three players returned from last year and three quarters of the team had not played competitive volleyball before. Next year Miss Mattola is looking forward to having a team with at least one year's experience behind them. Overall the girls gave a great account of themselves considering they had to play so many league and tournament games. Tanya, Michelle and Patricia were the "ace" servers and Lilla, Janine, Kupunda and Sasha improved by leaps and bounds during the year. The girls had new uniforms this year but without the shorts to complete the set. Next Year???

The team consisted of Tanya Semos, Louise Bermingham, Mia Daniels, Michelle Caisey, Sonja Baptiste, Patricia Fisher, Laura Monk, Ivone Alves, Michelle Hill, Lilla Zuill, Janine Ratteray, Sasha Castle, Kupunda Lawrence and Dee-Ah Iris. The manager was Crystal Fox and all the girls received extra-curricular credit.

??????????

DID YOU KNOW THAT

- Cable and Wireless began operating in Bermuda in 1890?
- Bermuda's first submarine cable was installed from Bermuda to Halifax, Nova Scotia during that same year?
- The Harbourfront Restaurant now occupies the site formerly occupied by the Cable and Wireless office in 1936?
- Bermuda's first FACSIMILE (FAX) service was started in 1948?
- International Telex service was started in Bermuda in 1962?
- The submarine cable from Bermuda to Tortola (British Virgin Islands) was designed to handle 80 telephone calls?
- The new fibre optic Transatlantic Submarine Cable linking Bermuda, the U.K. and the U.S.A. is designed to handle over 10,000 telephone calls as well as high speed digital data circuits?
- The Standard "A" Earth Station satellite dish at the Cable and Wireless Teleport in Devonshire is 97 feet in diameter?
- The Standard "A" Earth Station is equipped to transmit live television broadcasts overseas?
- The Standard "B" Earth Station installed at the Devonshire Teleport in 1978 was used exclusively for 5 years in support of the National Aeronautics and Space Administration (NASA) Space Shuttle programme?

In 1727, friends who dined at the Harvey's home at Amen Corner in Paget, would often take full advantage of the family's hospitality. The ride back to the olde towne of St. George being a long and arduous one, they needed no persuading to stay on and spend the night in the comfort of Fourways.

Little did Mr. Harvey or his dinner guests foresee, that over 260 years later his home would be one of the world's finest country inns with a restaurant singularly famous for its fine food and elegant silver service.

Today, luxurious cottage suites welcome guests from all over the world, the ancient Peg Leg Bar lifts the spirits of those who linger under its cedar beams, and the restaurant receives high praise from internationally renowned gourmets.

Famous for true Bermudian hospitality since 1727.
